To The World Via The St. Lawrence Seaway . . .

The St. Lawrence River has played an important role in North America from the beginning of civilization to our present life. The early French explorers, Champlain and LaSalle, followed the river's course in their canoes. Champlain traveled and explored the Great Lakes, and LaSalle went beyond that. In every instance, the St. Lawrence served as the starting place, the route of exploration. As the continent grew, the importance of the St. Lawrence grew with it. Men had multitudinous dreams and plans concerning the future of this mighty river. Today, the ultimate dream has been fulfilled. The St. Lawrence River, through the efforts and skill of man's ability, has been transformed from a treacherous river, safe only for a few vessels, to a magnificent seaway, navigable by the larger ocean going ships. Just as the St. Lawrence River is a major contributor to the development of our country, so education is an important factor in the civilization of our land. In the early days of our country, education was secondary just as the St. Lawrence was in its primitive stages. As time passed, it grew in importance even more than the St. Lawrence. Today education is the most important single phase of our lives. Like the St. Lawrence Seaway, education is the launching pad of our exploration of life. As we observe the St. Lawrence Seaway and its development, we note the similarity in the pattern of growth in education. We compare the various parts of this marvel of engineering to the different phases of life here at DeVilbiss, our own educational seaway. For these reasons we have chosen the St. Lawrence Seaway as the theme for our Pot O' Gold.

Though ice-choked for four months every year and marred by thundering waterfalls and swirling rapids, the St. Lawrence River has tormented generations of men with its potential greatness as an inland waterway. Finally, in our generation, this dream of centuries will be realized.

The St. Lawrence was first seen by Jacques Cartier on his second trip to the New World in 1535. As he sailed into its wide mouth, he, too, had visions of its future. For he felt that here was the water route to the fabled Spice Islands of the Orient. But the governments were concerned with other matters and the idea of exploration of the upper St. Lawrence lay idle.

However, a turning point came when Samuel de Champlain, as part of a colonizing force, became fascinated with the thought of exploration of the river. He pieced together from the Indians the geography of the place — the waterfalls, the rapids, and, most fascinating of all, the Great Lakes. He became inflamed with a desire to see this country and discover for himself whether this waterway led to the Indies.

Because Champlain lacked a sponsor, it was several years before he returned to the St. Lawrence. When he did, he organized the colony of Quebec and set out on his famous journey in which he discovered the Great Lakes.

Under the rule of the French, the St. Lawrence Valley prospered. The main influences were the Jesuit priests and the French fur-trappers. The priests converted the Indians to Christianity while the fur-trappers settled the area. But conflict between the French and English on the coast was inevitable. The river became English and still later the boundary between Canada and

the United States. For years the St. Lawrence remained an undeveloped waterway, limited by its lack of depth. Men of foresight were aware of the promise it held, but nothing was done.

It would not be until more than four centuries after Cartier first viewed its broad expanse that the St. Lawrence fulfilled its dream by opening an entire continent to the shipping of the world.

Soon ships, flying the flag of every nation, will visit the ports of the St. Lawrence. So that we may truly understand the magnitude of the St. Lawrence Seaway we will take a voyage down the channels, through the locks and lakes. In this way we may realize what a tremendous task the construction has been.

From the Atlantic Ocean we enter the wide mouth of the St. Lawrence River. We proceed hundreds of miles, passing the beautiful city of Quebec perched high atop the banks of the river. We travel still further up-stream past the metropolis of Montreal. It is now that we enter the Seaway.

The Seaway itself is 159 miles long and is divided into two main sections, the Canadian and the International. The first section, being entirely in Canadian waters, has been built solely by the Dominion government, while the International section is so named because it was a joint effort by the United States and Canada.

After sailing beyond Montreal we encounter the first of the locks. This is the St. Lambert Lock which raises our vessel 15 feet. We now bypass the famed Lachine Rapids by means of a newly-constructed Navigation Canal. We are then raised 30 feet by the Cote St. Catherine Lock and now we steam into Lake St. Louis. From this large body of water we reach the Beaugar-

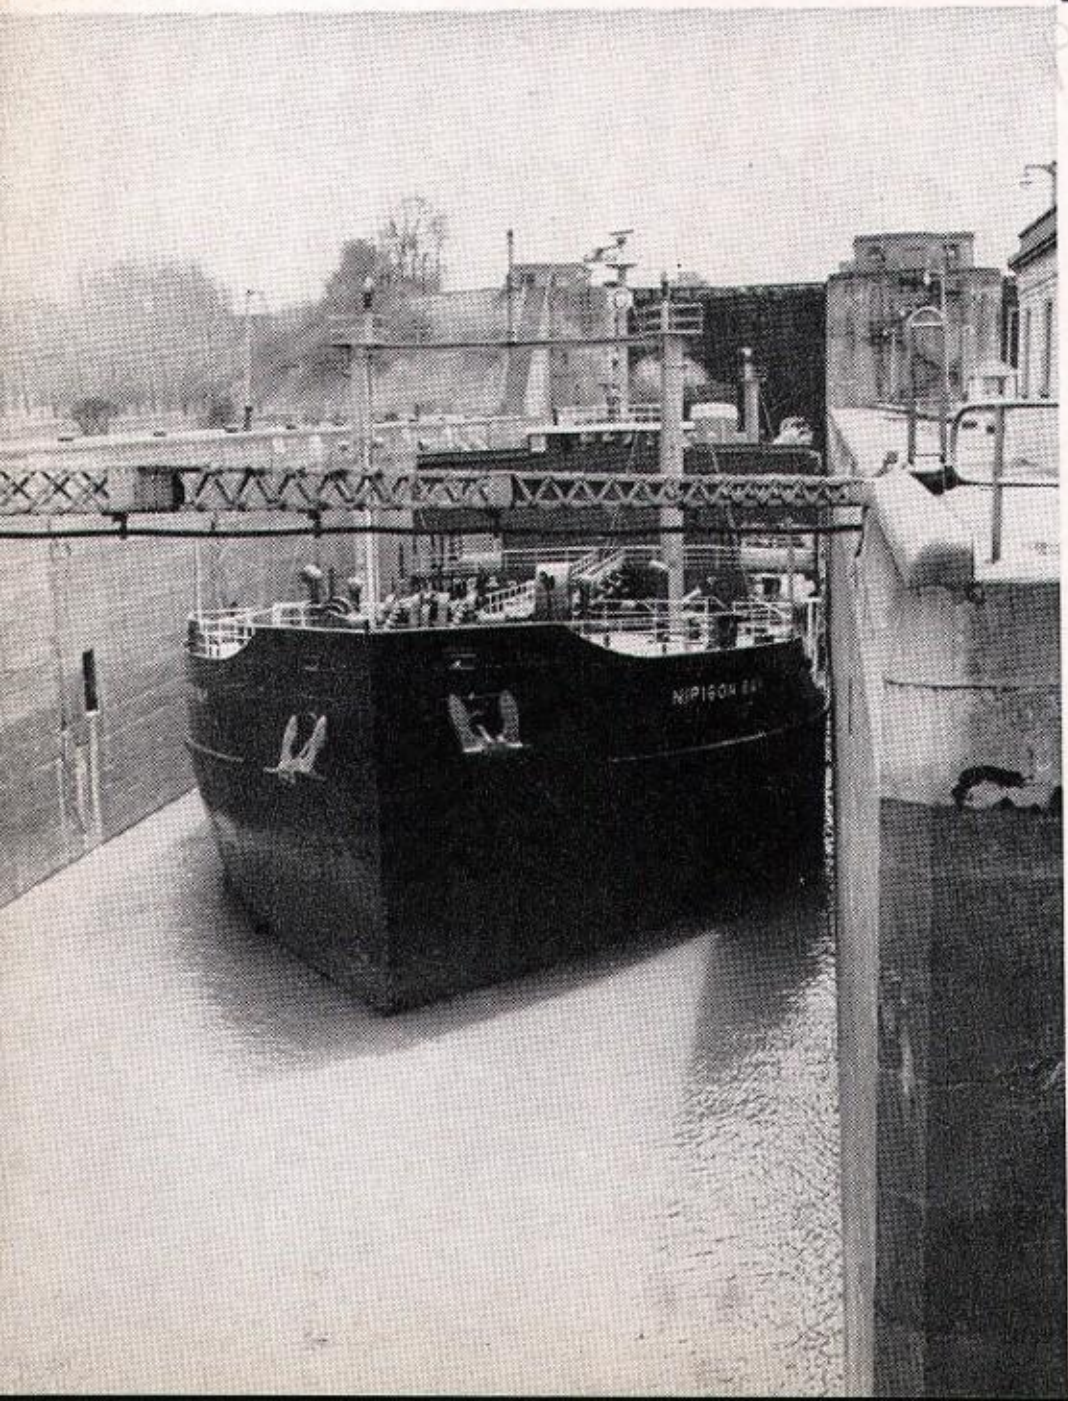
nois Canal. This contains two locks, each of which raises us 42 feet. Then out from the canal and into Lake St. Francis, the end of which marks the beginning of the International section.

The first sight that greets us in this section is the magnificent span of the International High Level Bridge. Cruising under this, we reach the first lock of the section. This is the Bertrand H. Snell Lock. Snell was a member of the House of Representatives for 22 years and was the first to introduce legislation in favor of a seaway. For twenty years he waged an unsuccessful war. Five days after his death on February 2, 1958, this lock was named for him. By it, we are raised 45 feet.

Largest Canadian tanker, through Welland Canal Lock. Toledo Blade.



Just a little farther up is the Dwight D. Eisenhower Lock which also raises to the level of 45 feet. After this comes the Wiley-Dondero Canal, named for the men who sponsored the enabling legislation in our Congress. Last is the Iroquois Lock which raises us 30 feet. After this we proceed up the river under the Thousand Islands International Bridge into Lake Ontario. From here through the Welland Canal and the Fort Weller series of seven canals we approach Lake Erie. As we travel this broad expanse of water, we see cities looming on the shore. They are crowded with industrial activity of all sorts. Then we enter the mouth of the Maumee River and down the river to the Port of Toledo.

Toledo

With the opening of the St. Lawrence Seaway a whole new vista is revealed for the Port of Toledo. The creation of one-third more seacoast will place Toledo in the coveted position of a sea port with international contacts. Ships flying the flag of every nation will dock at this harbor and receive the manufactured and agricultural goods of inland America. Toledo will be the gateway to the sea for the thousands of people who, up to now, have been locked within the two oceanic coasts.

We can safely predict Toledo's becoming an important port because the Port of Toledo has everything to its advantage. It has a natural geographic location in the heart of America. The city is blessed with a harbor that is straight and deep. Toledo is served by thirteen railroads, one hundred and twenty truck lines and thirteen major highways; thus offering complete north, south, east, and west service to the entire United States.

The seaway, however, will aid Toledo in many ways other than economic. The sea has traditionally been looked upon as the bringer of wealth and adventure and these many gifts it will bring to Toledo. With our increased stature as a city of commerce, our educational and cultural facilites will grow.

To satisfactorily fulfill these needs we must have foresight and vision. If properly handled, the St. Lawrence Seaway will embark Toledo on a period of unprecedented growth — prosperity.

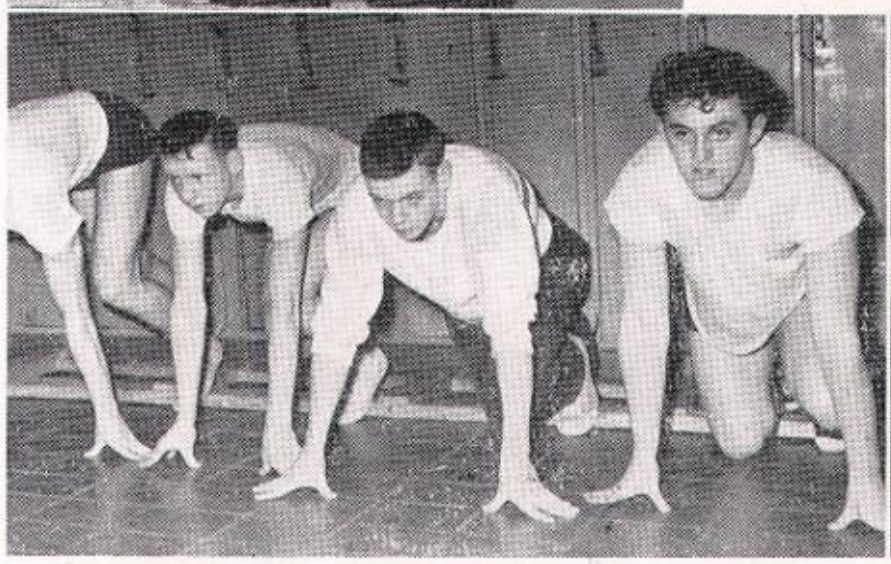
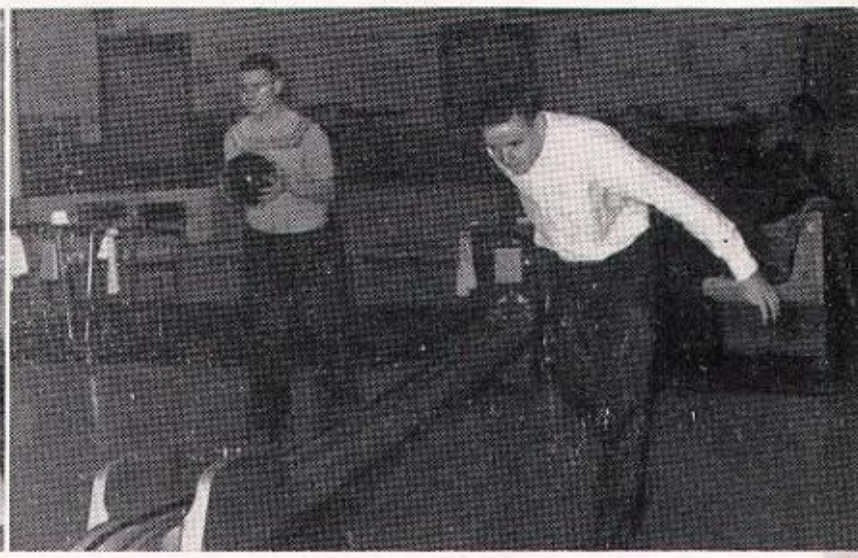
The Code of Thomas A. DeVilbiss High School

Thomas A. DeVilbiss in his youth
Caught the vision splendid
Of fair Truth and Honor,
Of Wisdom and Service of mind and heart.
He loved Growth and cherished it;
Beauty he beheld and loved.
Our face is turned to the East;
We, too, have caught the vision.
May we like Thomas DeVilbiss,
Love Truth and Wisdom, Beauty, and Honor
And lose ourselves in Service for others,
That in this house of his
Every noble purpose may be achieved
On our journey toward Immortality.

On these two pages we are following Jim Gerlach, a typical TAD through his busy week. We chose Jim because of his many and varied activities from every segment of DeVilbiss life.

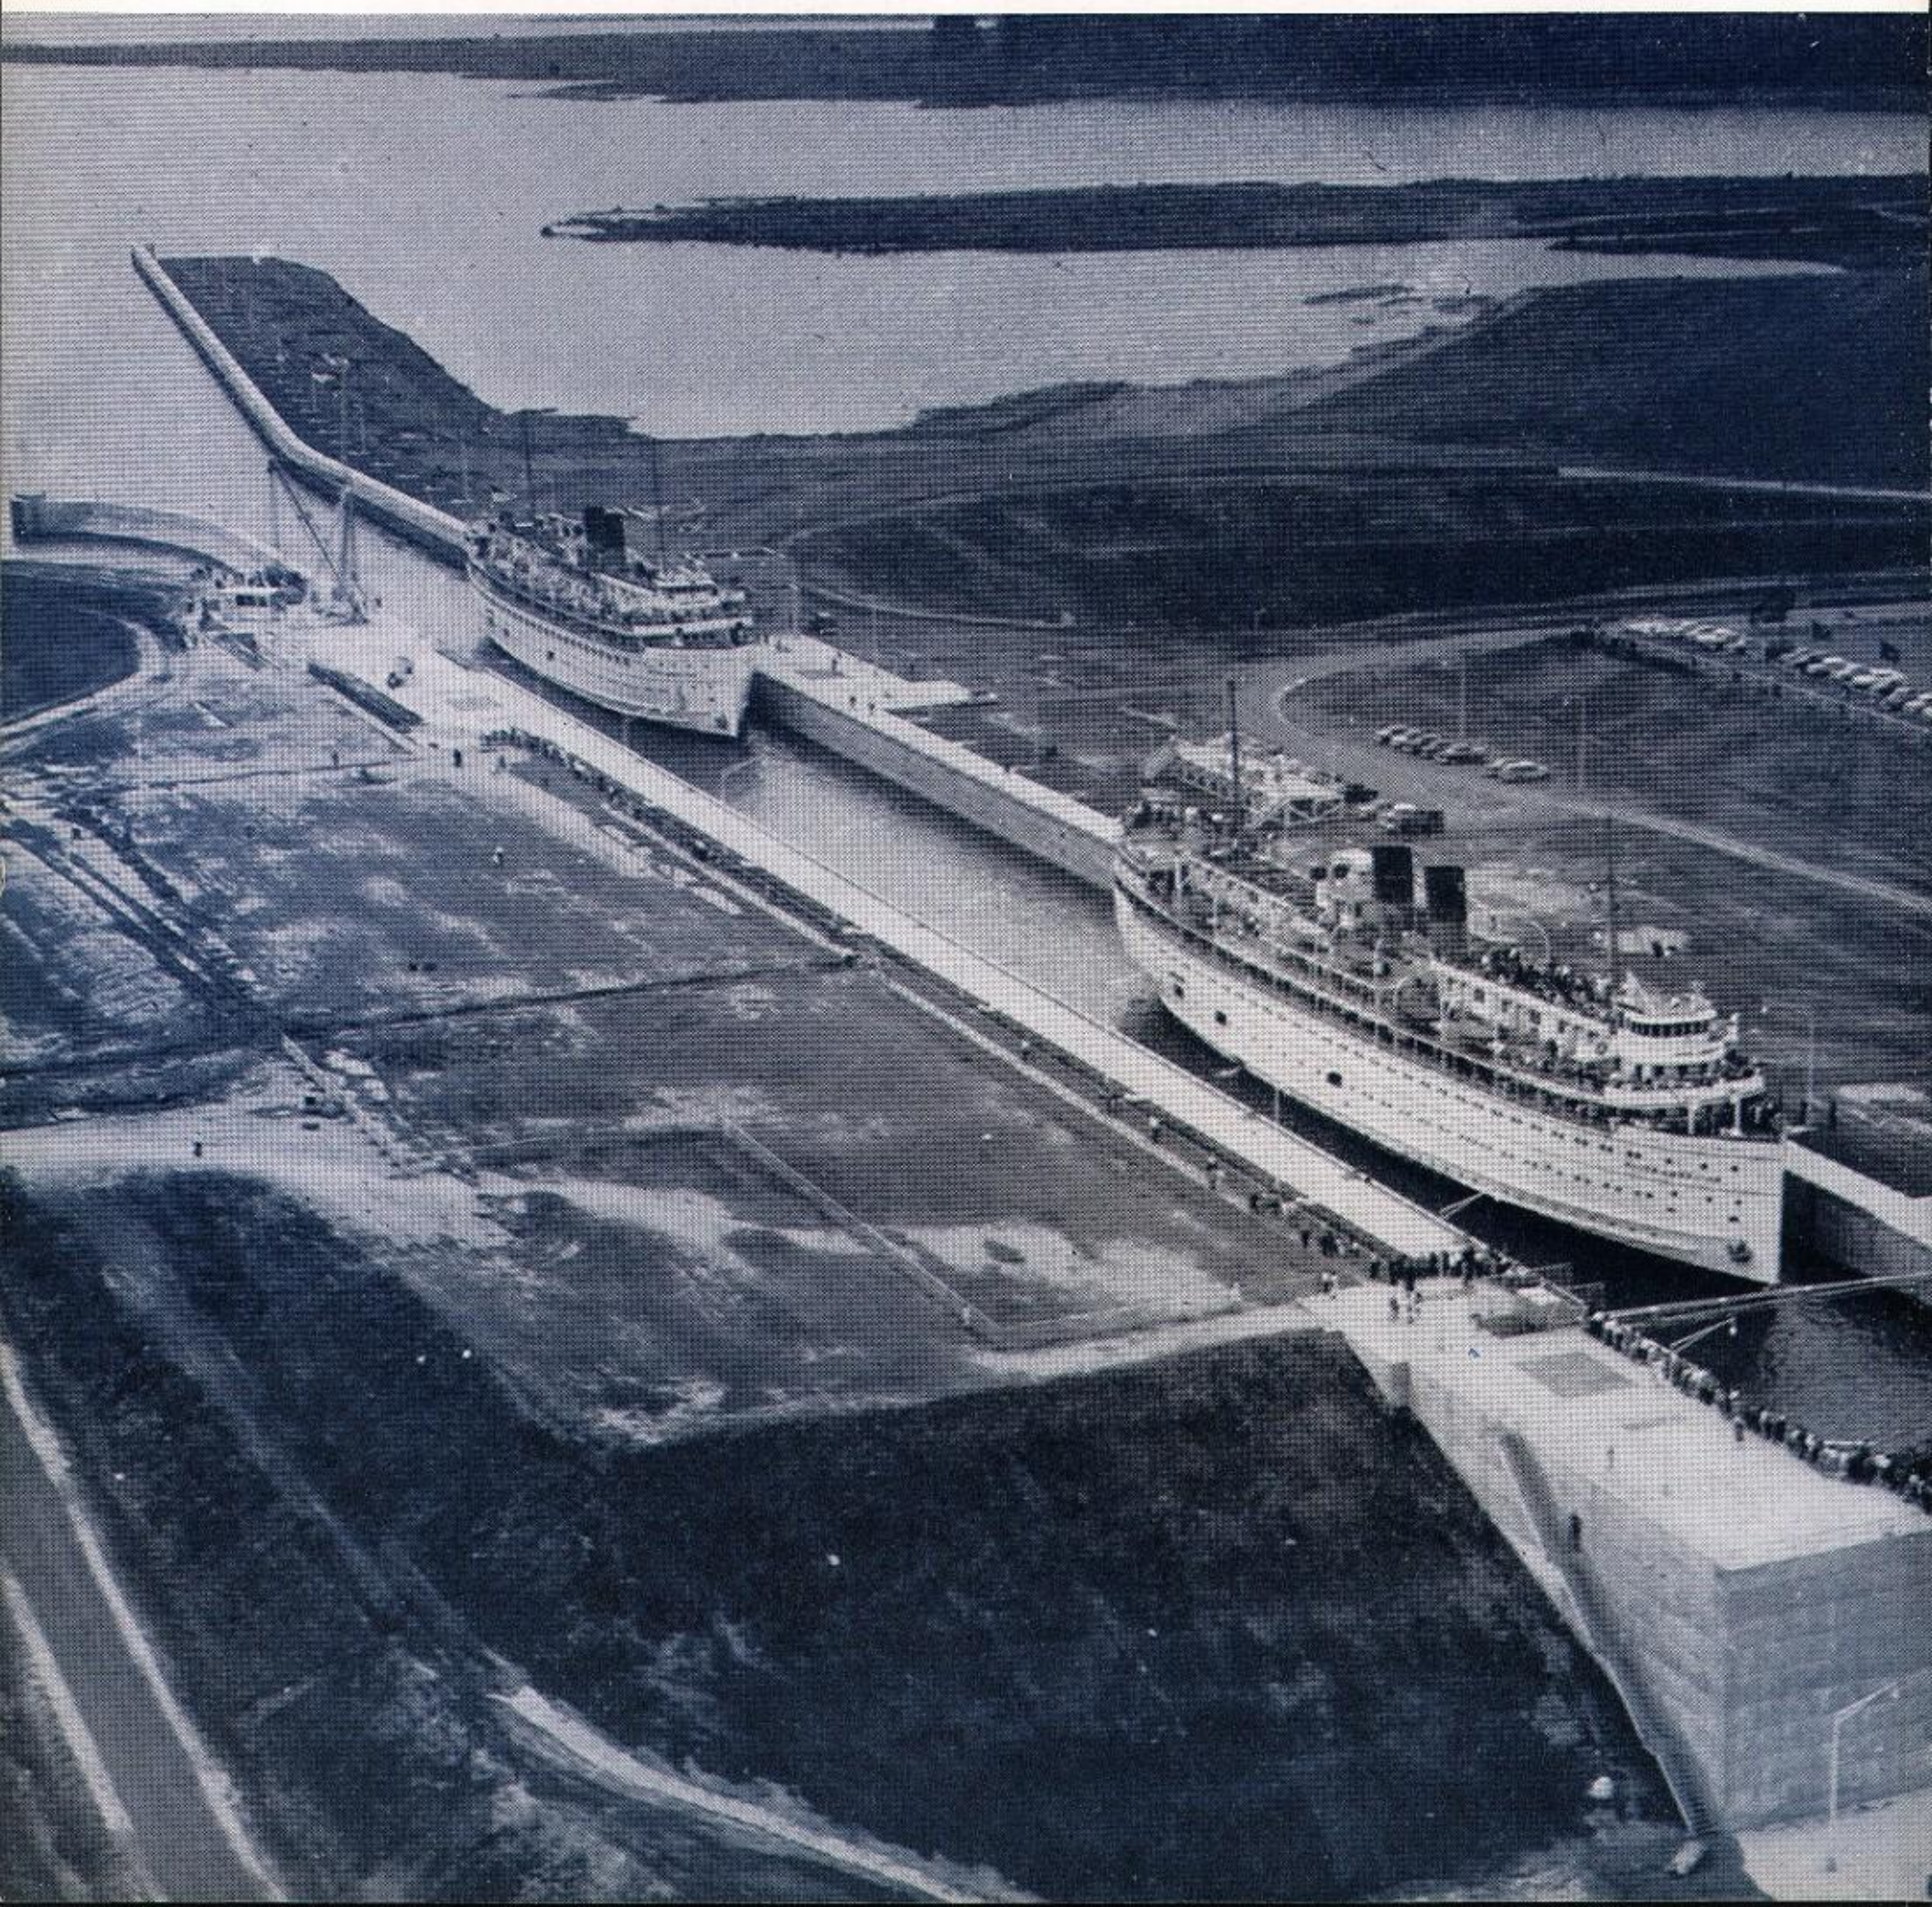
At the start of the week we see him performing an experiment in Mr. Archambo's physics class. Then he squeezes in a few frames of bowling. On the next afternoon he's busy getting in shape for track season. Next we peer over his shoulder while he is in the throes of creativity for composition class. After this dubious pleasure his activities become a bit more enjoyable, as he escorts Miss Sue Ruby, Homecoming Game attendant. Now it's Prism Day and Jim, co-



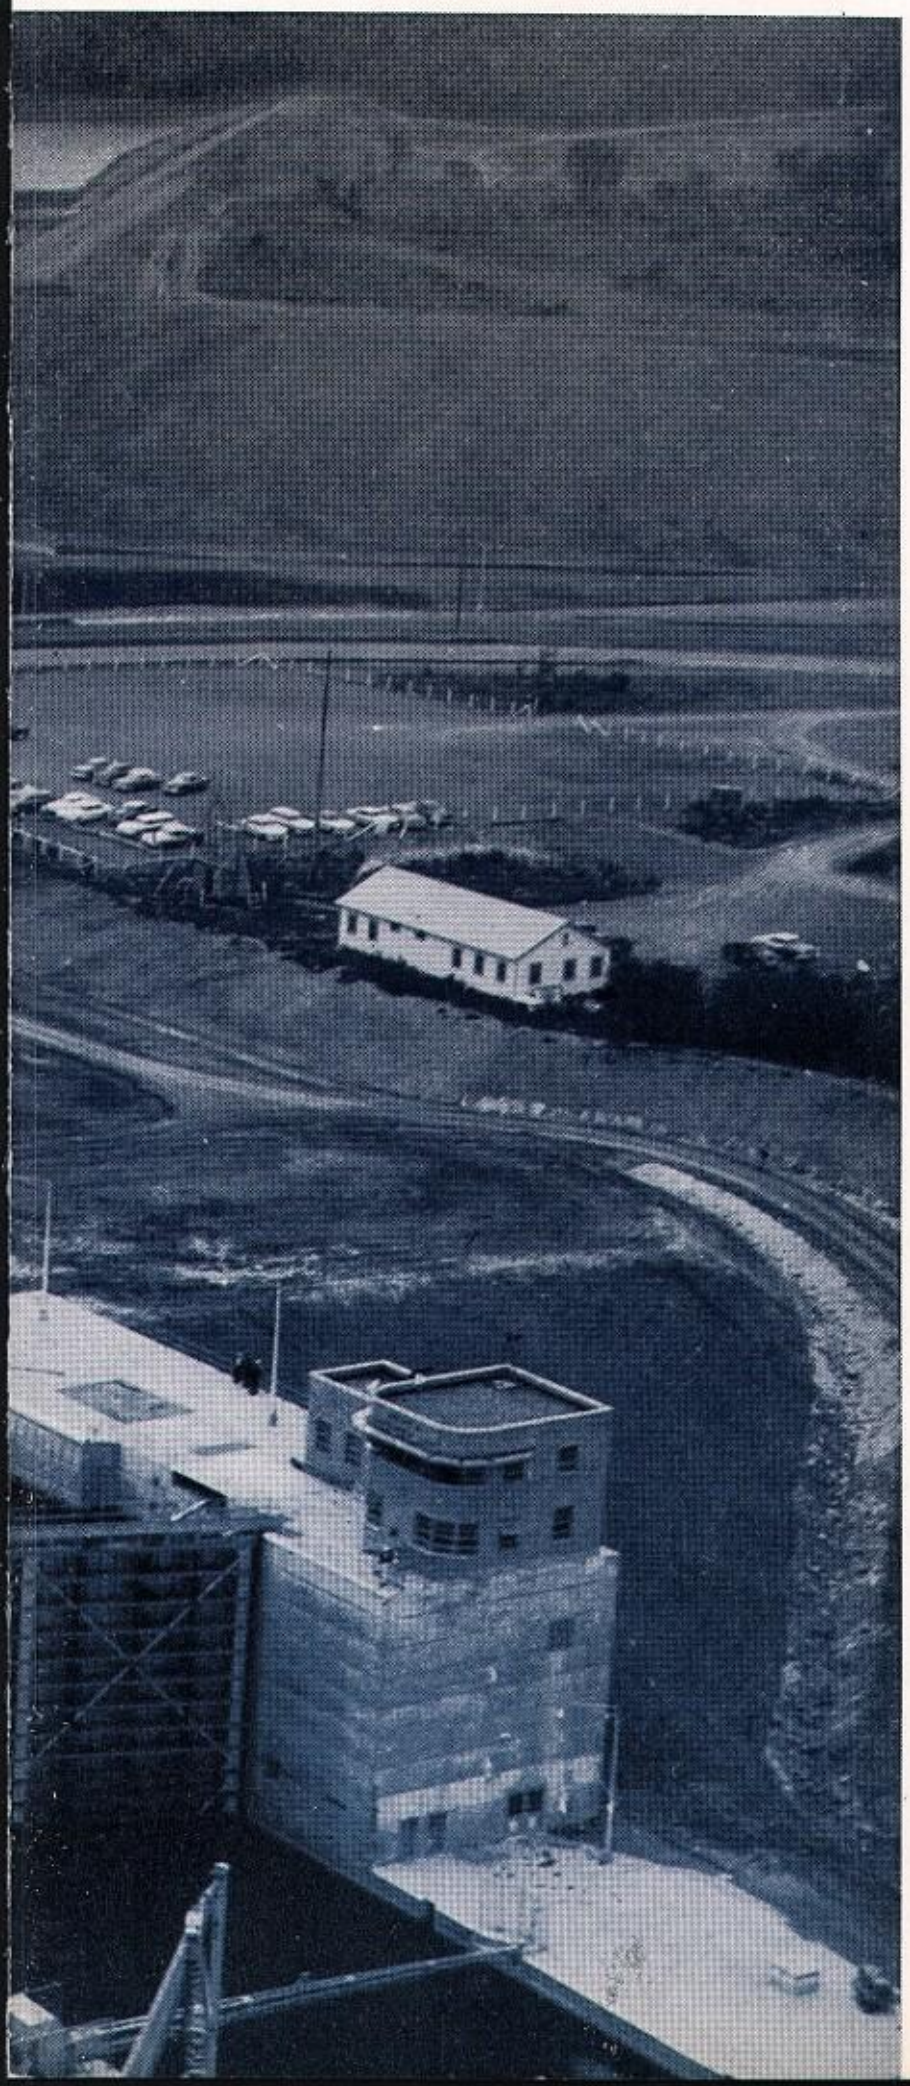


editor of the sports page, is hard at work. By now, he is too tired to generate much enthusiasm at a mass meeting, but he revives for a Commissioner's meeting. (Jim is our Welfare Commissioner.) Then on to higher duties. Here he is catching a last minute look at his books (?). That evening Jim takes time out for a Forum meeting. The next day we see Jim coming into school. Finally, while reflecting upon our yearbook theme, the St. Lawrence Seaway, he gazes into the mists of the harbor.

FAC



ULTY



The great achievement that is the St. Lawrence Seaway required the work and ideas of many. But no matter what the goal is that we are trying to reach, the two indispensable ingredients are knowledge and imagination. Knowledge is understanding the steps forward made over the span of civilization. Behind knowledge stands a teacher. Imagination is the formation of ideas never before perceived in their entirety. Behind imagination stands inspiration.

An undertaking so vast in scope as the Seaway, indeed, demanded educated and creative minds. Our teachers are dedicated to forming minds such as these. They provide us not only with learning but act as an inspiration to achieve for ourselves. For in a world such as ours we will be called on to aid in projects no less important than the Seaway. Our ability to meet this challenge depends on what we accomplish during our high school years. With as fine a faculty as we have there is no doubt that this period of preparation will reap a reward rich in realization and fulfillment.

Earl Robinson

Our entire school was deeply saddened to learn of the death of Earl Robinson, our chief custodian. Mr. Robinson had devoted his life to DeVilbiss and had been with us since the opening of the school. Since those first days up until his very last, service to DeVilbiss was his constant goal. But this was not his only accomplishment. He also rendered the very highest type of service to his country, being wounded in action.

All who knew him admired and loved him. To the students he was a special part of everything that is DeVilbiss. To those who worked with him he was a fair man dedicated to giving as much of himself as possible. This admiration was expressed by the students through gifts with which his memory was honored. A new flag, courtesy of the Sisco Service Club, will fly over DeVilbiss in commemoration of Mr. Robinson.

But DeVilbiss was not his only love. He also had a wife and daughter. We join with them to pay our respects to a truly self-sacrificing man.

It will be many years before the void left by Mr. Robinson will be filled. And even then, though many students will have left, his impression will still be with us. The succeeding years cannot wipe out the memory of a man who typified the DeVilbiss spirit.

Just as Cartier stood at the mouth of the St. Lawrence River and surveyed the sweep of the winding river, we also stand at the commencement of a great search. Like the early explorers we are crossing a wide sea and will soon stand on the brink of a new world. We will be the pioneers in a fantastic age. Our mode of travel will not be a wooden sailing ship or a covered wagon but a jet or even a space ship. Still we are pioneers searching not for gold or lands but ideas and the basic truths that shall spell progress to all men. Our river lies before us, but it is for us to plot our course. Each of us will choose a different direction or a different route, but that is as it should be, for we are all different and we must mold the education we are receiving to our individual needs. It is our duty to absorb the preparation of our high school career, and to be influenced and shaped by our experiences during these formative years. High school is but a leg on our journey into the unknown. To be prepared we must be familiar with what we have already traversed. Then we can assuredly venture forth to cross the prairie, to penetrate the wilderness, to bring light to where there was darkness.

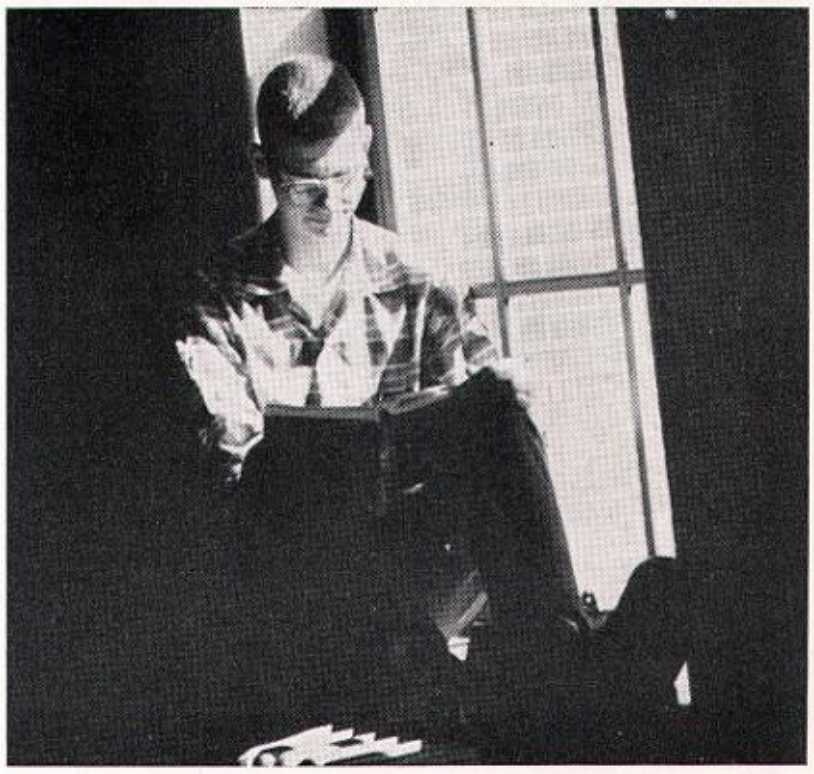
Carolyn King and Kent Matthews, Senior Memorial, present Mr. Nauts with a present for the school.



John Molnar, sitting on the window-sill, studies for a first hour quizz.

America's future "rocket-pushers" are busy at work.

Mrs. Helen Williams and Mr. James Kilcorse, class advisers, meet with Bart Wagenman to outline the class events.

The Junior Class officers are (L. to R.): Polly East, secretary; Lowrie Sprague, treasurer; Bart Wagenman, president; Mary Mohr, vice-president.

This year the Junior class, through the capable leadership of its officers and the counseling of its advisers enjoyed a successful year. Their first endeavor, the Junior Boys' Mothers' Tea was a tremendous success. Other achievements were the J-Hop, the class play, and the Jr. Sr. Farewell. In April, a large number of the class embarked upon the annual trip to Washington and historic Williamburg. The officers, advisers, and entire Junior Class have worked together to make the year's activities a series of accomplishments for their class.

Art Doederlein and Leon Silverman, co-chairmen of the Junior Boys' Mothers' Tea, enjoy a cup of tea with their mothers.

Dave Stout and **Elizabeth Snow** point out

JUNIOR CLASS

Marty Treuhaft and **Jane Babcock,** co-chairmen of the Junior-Senior Farewell, make plans for this dance.

Sue Radabaugh and **Dave Kurtz,** co-chairmen of the J-Hop, prepare to leave for the dance.

Robin Diller and **Terry Sinclair,** Junior Play co-chairmen, watch a rehearsal with **Mr. J. Norman Klee,** play adviser.

Sections of the Washington trip.

The officers of the Sophomore Class are (TOP ROW): **Larry Peterson,** president; **Phil Cobb,** vice-president. BOTTOM ROW: **Julie Sullivan,** treasurer; **Parris Lydy,** secretary.

SOPHOMORE CLASS

Mrs. Mary Hartman and **Mr. Klee** are the newly appointed advisers of the Sophomore Class.

As sophomores, the class of 1961 entered wholeheartedly into its first year of actual student leadership after completing the first voyage of its high school career.

The class elected Larry Peterson, president; Phil Cobb, vice-president; Parris Lydy, secretary; and Julie Sullivan, treasurer. These officers spent much time and effort in maintaining the high standards, both scholastic and social, of our school.

These sophomores, (L. to R.) Mike Carnahan, Mike Miller, Sue Keck, Doug Wahl, and Judy Gerlach, are taking part in planning Deviltries.

Co-chairman **Ed Arnos,** Sub-chairman **Sue Boyette,** Co-chairman **Sarah Bennaway,** and Sub-chairman **Dick VanLandingham** work hard to make their dance a success.

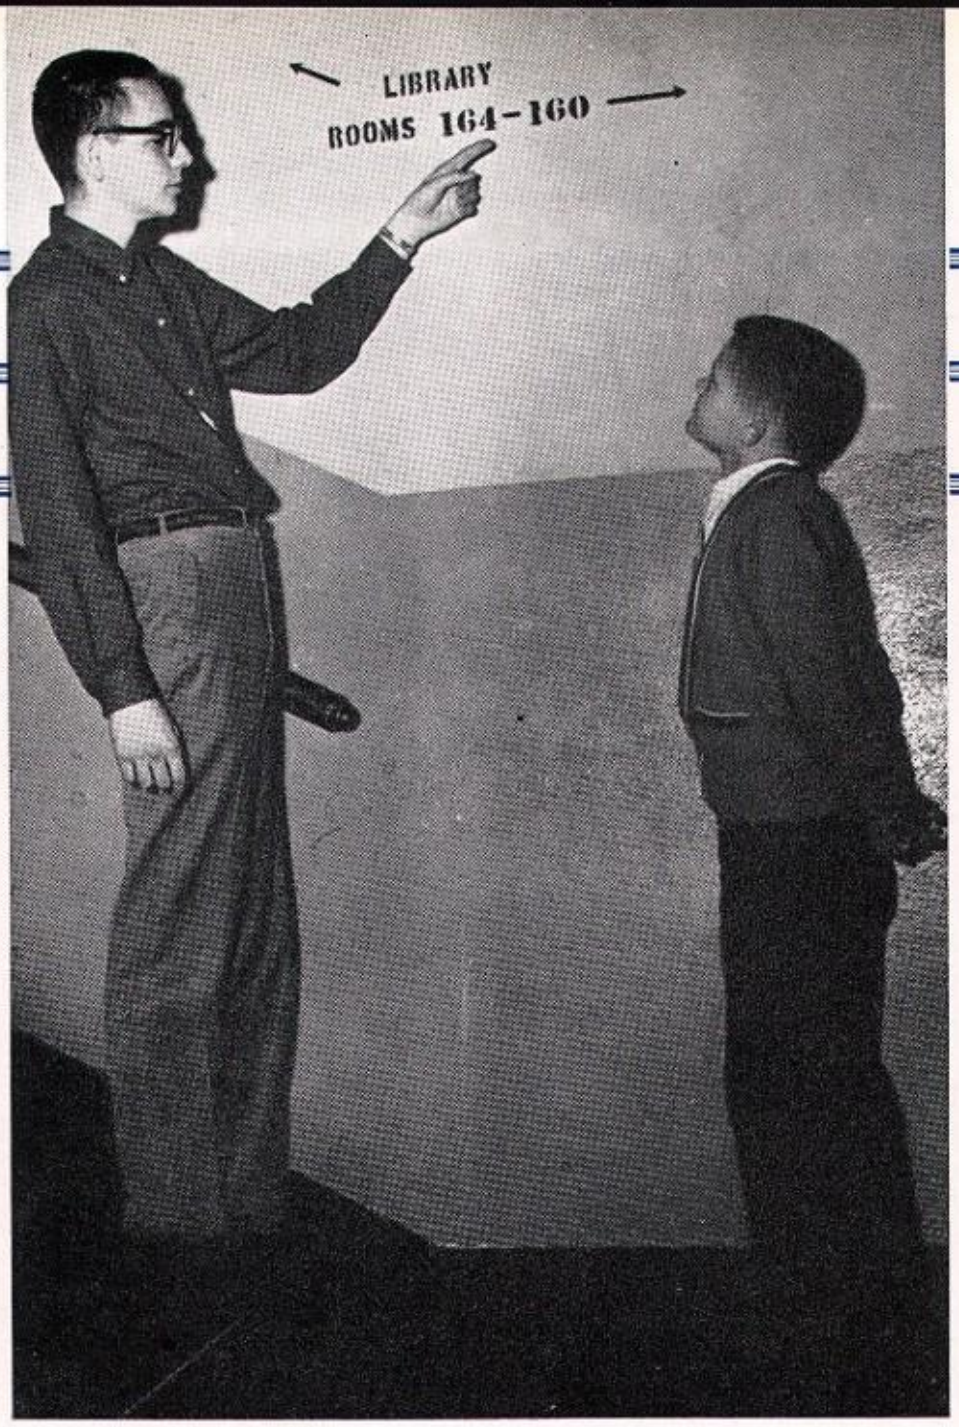
FRESHMAN CLASS



Bill Biebesheimer, left, gives advice to a bewitched, bothered, and bewildered freshman, Bill Duvendack.

This year's Freshman class, the mighty class of '62, has already shown the potentiality of being one of the best classes of the school. They have shown their eagerness to contribute to DeVilbiss by participating in many student activities. They have become active members of school clubs and held homeroom offices. Others have served their school by being on commissions and in the student council. Under the supervision of Miss Pasch and Mr. Brown, their advisers, this class has embarked upon the ship whose destination is the port of success.

Guiding the freshman class are the advisers, Mr. Brown, dean of boys, and Miss Mildred Pasch, dean of girls.

Mothers and teachers talk about the problems of the freshman class at the Freshmen Mothers' Tea.

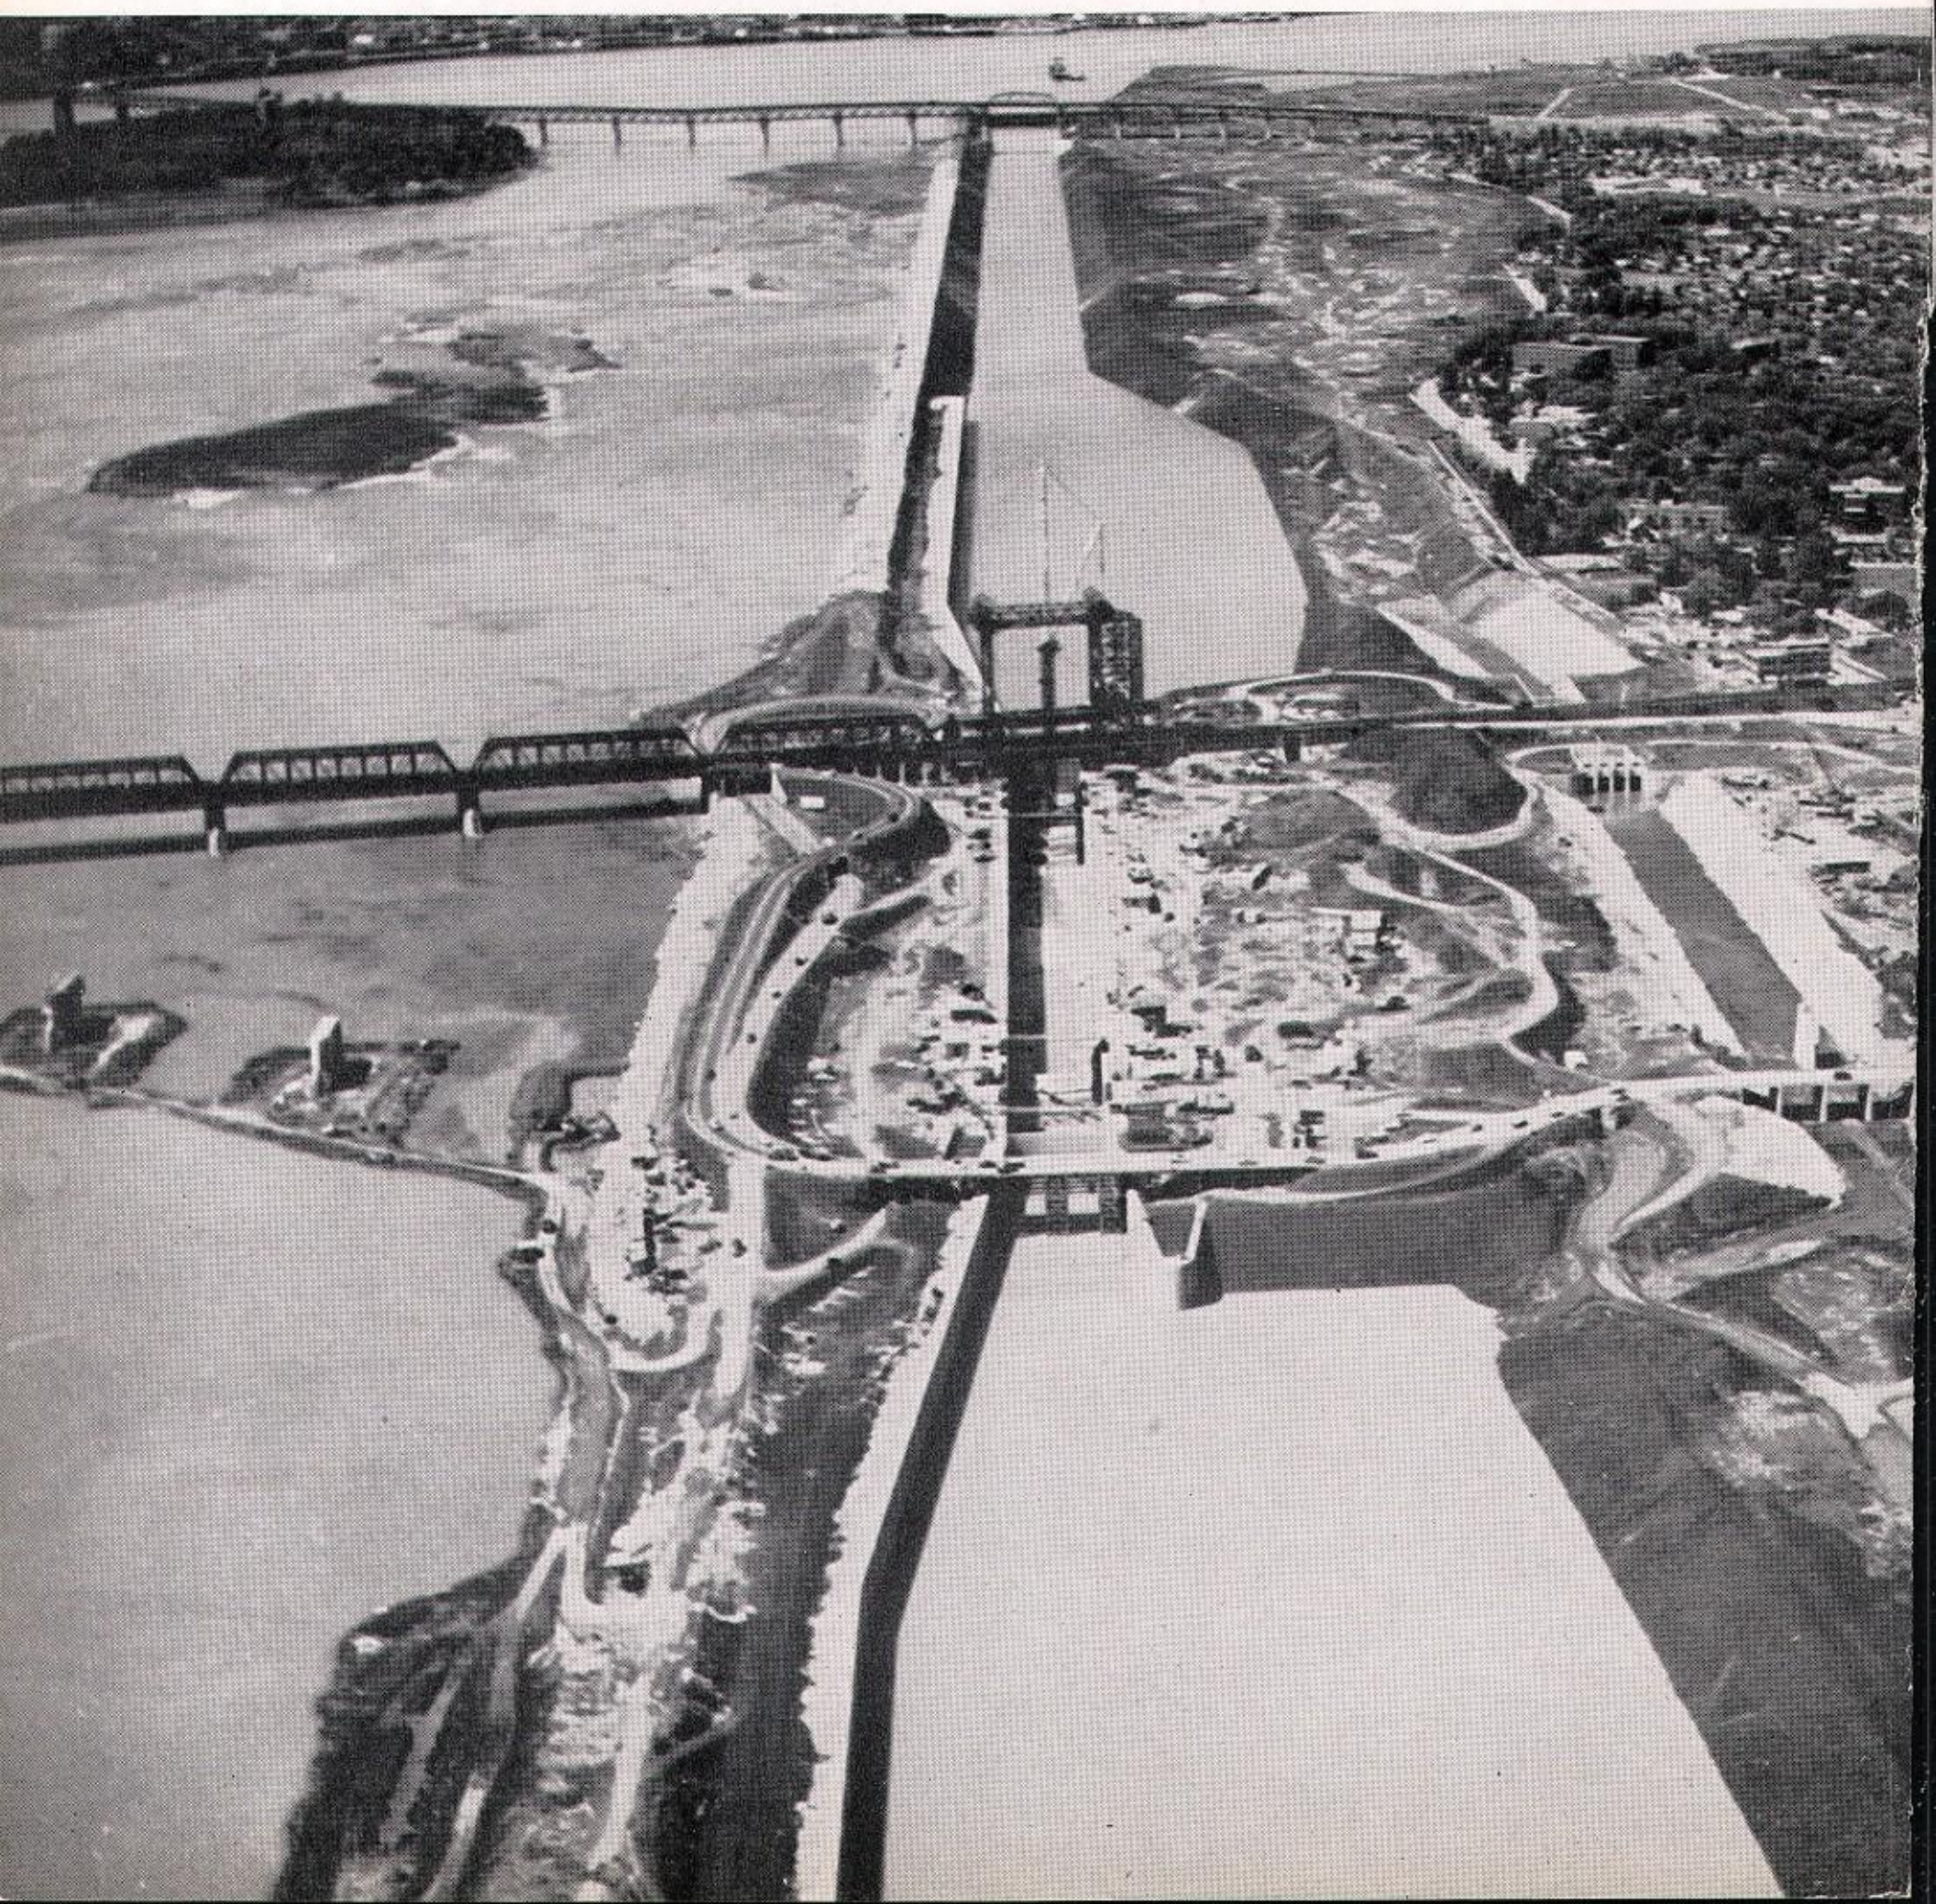
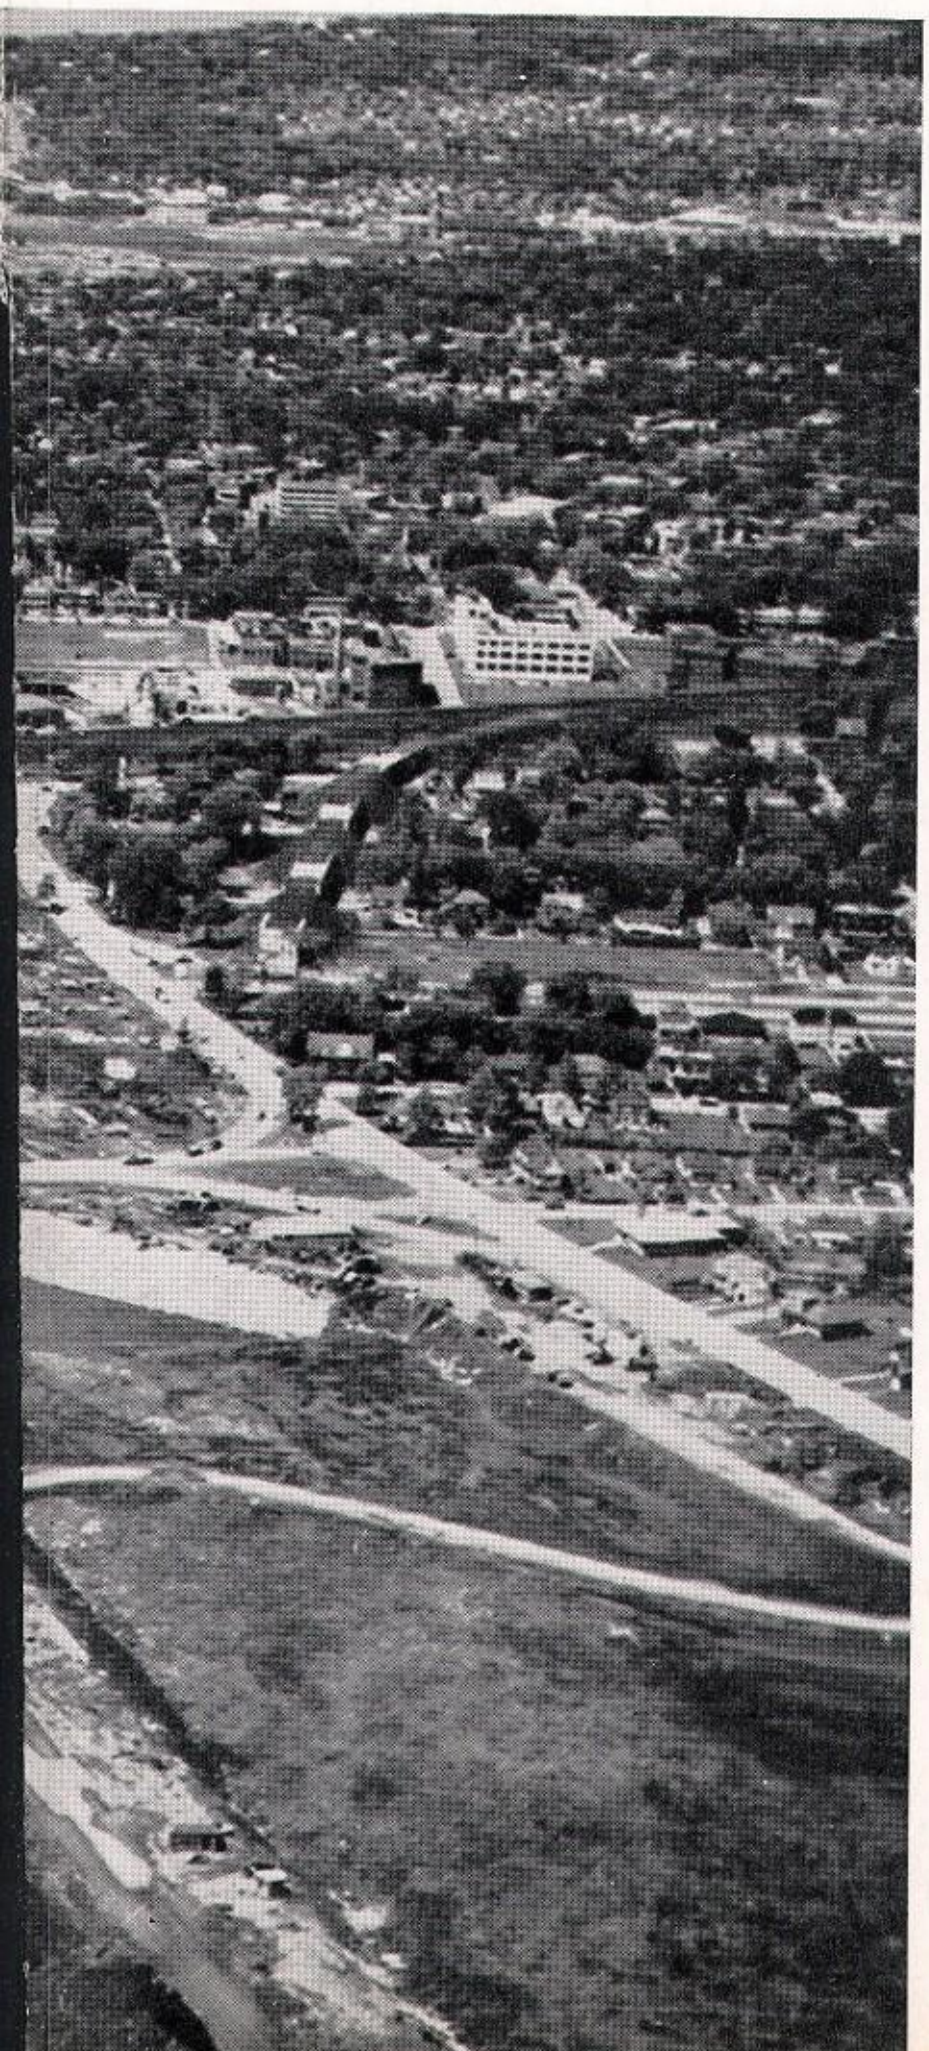
STUDENT



ACTIVITIES



Nothing is more symbolic of life than a highway. Be it a road, a network of rails, or a seaway, it represents life in its broadest meaning. The St. Lawrence depicts life in its every aspect: sometimes humming with vitality, sometimes somber, but always progressing. For Nature gave variety to the valley of the St. Lawrence but it was man who gave meaning to this diversity. He tilled its soil, diverted its waters, built its cities, and transformed it into a veritable stream of life. Whatever his purposes, whatever his desires, there was something for each individual, some expression of his needs. So it is with the varied program of activities offered at DeVilbiss. The stress is on the individual. No matter what be the interests, one can find pleasure and fulfillment from participation in the various activities. The Publications, Dramatics, and Music groups are the products of the needs of DeVilbiss students. These groups are constantly changing to meet the requirements of the student body, for DeVilbiss is made up of individuals, all finding something that both enriches their lives and improves their school.

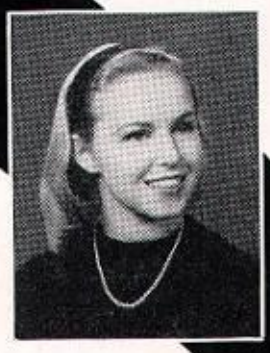
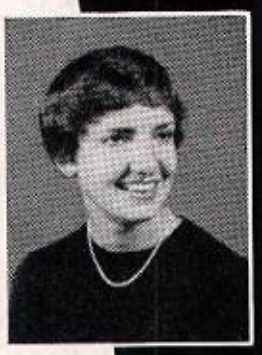
COUNCIL





The Student Association of DeVilbiss High School has been one of the active departments in our school this year. It has completely revised and reconstructed the Inter-Club Council. This year's magazine drive, which had as its theme "DeVilbiss Decathelon", was a huge success. The Student Council held a Christmas tea for the faculty, a dance in the fall, and an all-school party called Revelries. It also worked with the Area Student Council on the Polio Drive, the Easter Seal Campaign, and the Area Student Council Dance. This year's commissioners have done an excellent job in their various fields, working both together and separately to help maintain the excellent reputation of DeVilbiss.

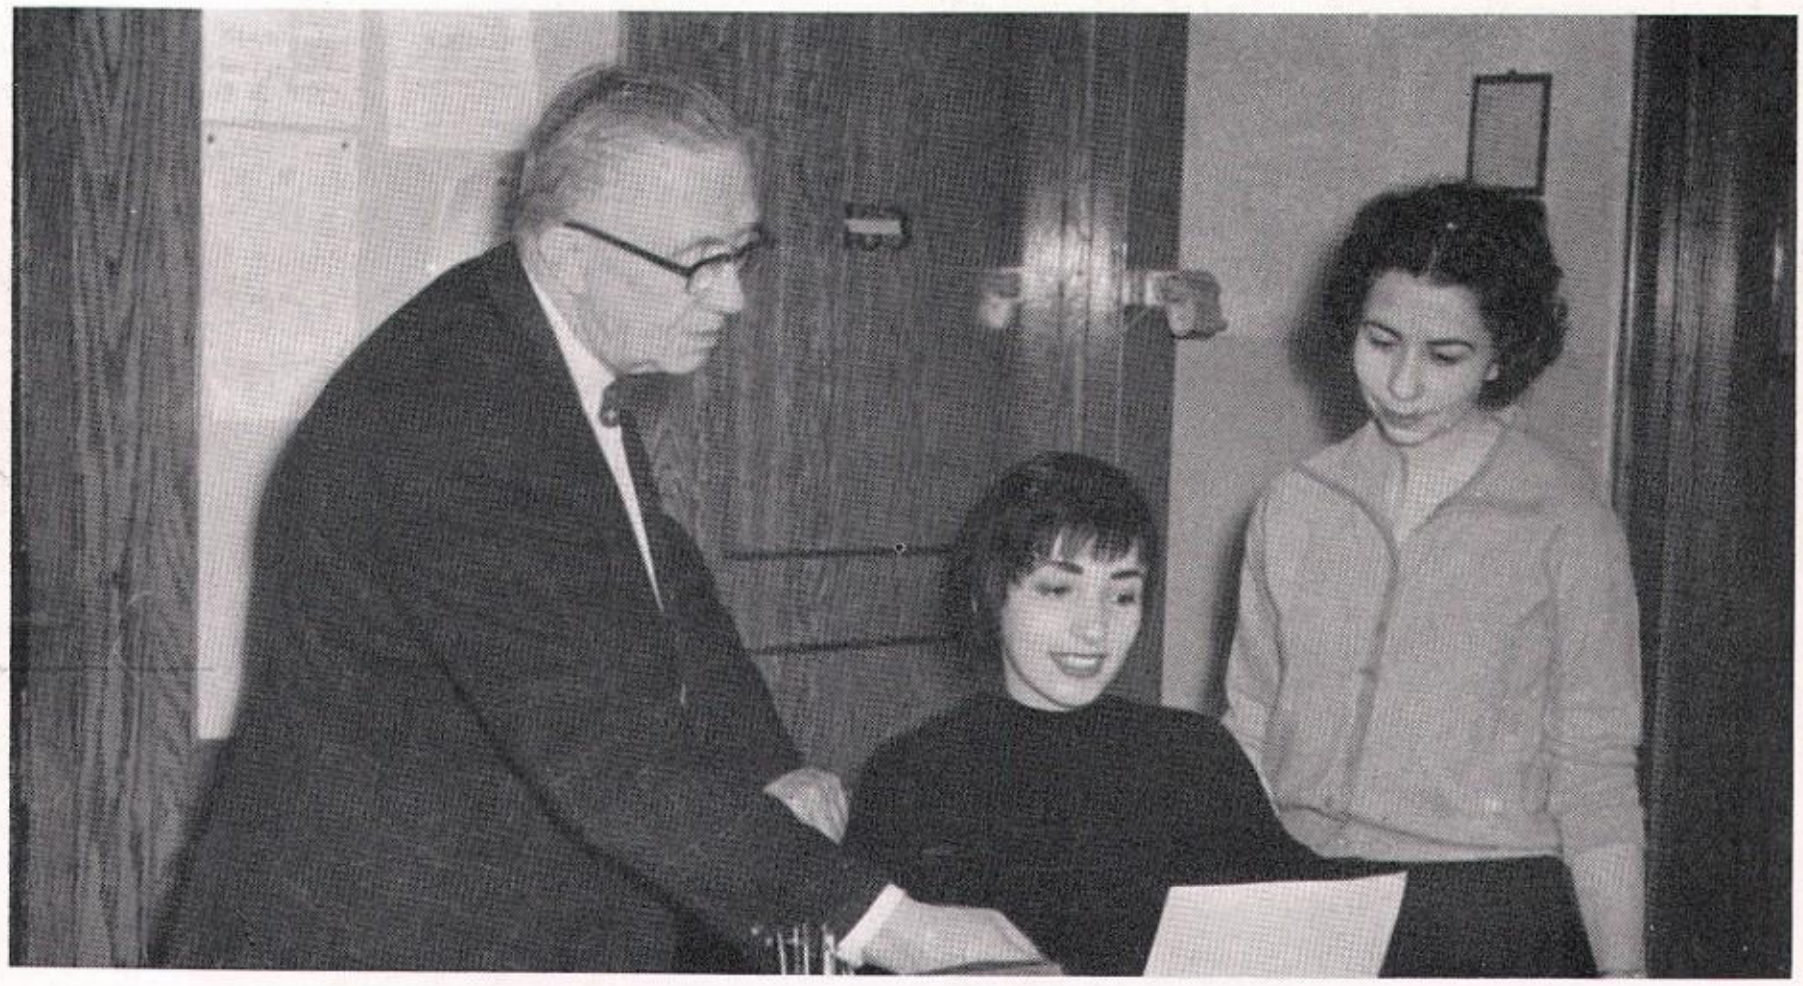
Pot O'Gold



D. N. Stalker, adviser; **Anita Liberman,** editor-in-chief; and **Miss Elizabeth Papps,** adviser, read together a letter from the printer.

The 1959 Pot O'Gold staff has kept quite busy with the assembly of the yearbook. The first task of the staff was choosing a theme. After this was done, they began to put the book together. From November to April, everyone was busy writing copy, pasting proof, drawing layouts, and cutting galley. The year was highlighted in March by a trip to New York City to attend the Columbia Scholastic Press Association Convention. Here C. S. P. A. honored the Pot O'Gold by having one of their delegates appear on the Dave Garroway program. After the delegates returned to Toledo, the entire staff busied itself with the finishing touches of the book.

The staff takes time off for a party on Halloween.

Dee Snyder, Dave Kuhlman, and **Dianne Vesey** enjoy a ride on the Staten Island Ferry during the New York trip.

Becky Byers, senior class editor; **Dianne Vesey,** artist and typist; and **Dee Snyder,** classes editor, prepare copy for press.

Bill Moore, photographer; **Anne Young,** student activities and faculty editor; and **Art Doederlein,** advertising staff, learn how the copyflex machine operates.

Linda Johnson, circulation manager; **Jeff Stein,** advertising manager; and **Robin Diller,** business staff, add up the daily income.

Carol Retzke, freshman class editor; **Nan Buecher,** sophomore class editor; and **Bill Biebesheimer,** junior class editor, plan the layouts for their sections.

Muriel Jones (right), business manager shows **Sue Schacht** and **Sue Shell,** business staff, how to make out a receipt.

Dave Anderson, panel editor; **Jim Duvendack,** organizations editor; and **Roger Smith,** enjoy looking at candid photographs of the staff members.

Nancy Nasset, Editor; **Ardith Mayo,** Managing Editor; **Miss Elaine Hirth,** Business Adviser; and **Miss Rose Bloom,** Literary Adviser look over a Prism just off the press.

Prism

"The Prism—breaks school life into colorful news." Holding true to its motto, our school newspaper staff has done an excellent job of reporting and writing up the happenings around school. The literary staff have been busy putting out thirteen issues. The business and advertising staff have also had a big job. They have put on skits over the P. A. and made posters and billboards for the front hall to promote the sale of Prisms.

Jim Gerlach and **Jerry Yaffee,** fourth page co-editors, and **Eden Feldstein,** Sports Page Assistant, proof-read galley.

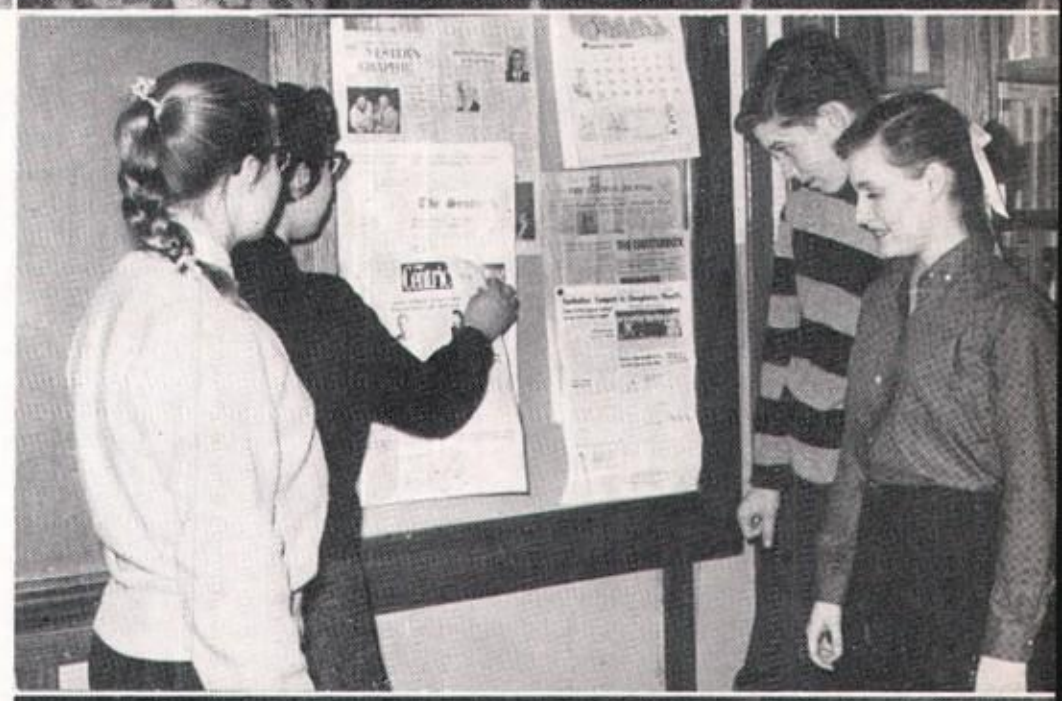
Helen Clark, News Page Writer, **Donna Wetzler** and **Sue Nichols,** first page co-editors, and **Lynn Hartman,** News Page Assistant, are drawing makeup for their next issue.

Judy Imholt and **Larry Roth,** second page co-editors, and **Ron Weiss,** Feature Page Assistant, put their final o. k. on the second page make-up before it goes to the printer's.

Sue Starsky, Activities Page Writer, **Laury Lipman** and **Tracy Acklin,** third page co-editors, are returning from the printer's.

Shary Fishman and **Rhoda Weinman,** Librarians, **John Crossen,** Poster Publicity, and **Bob Damrauer,** Photographer, attempt to get some homework finished during their spare time.

This spring at the Columbia Scholastic Press Association Convention in New York City, the Prism was given a first place rating. This was quite an honor considering that approximately 100 schools in their field enter their publications for competition. DeVilbiss can indeed be proud of its fine school paper which serves to promote interest in the many school activities.



Jackie Litten, Cecile Richter, Ron Driscoll, and **Jan McQuillen,** Reporting Staff, compare the paper of another school with the Prism.

Larry Okun, Mary Lee Codell, Leon Silverman, and **Jerry Colen,** Advertising Staff, write out receipts for their subcribers.

Tom Washing, Publicity Staff, **Barbie Champe,** Circulation Manager, and **Linda Radabaugh,** Publicity, hang posters around the school to promote the sale of Prisms.

Kathy Kridler, Sue Radabaugh, and **Marcy Giles,** Circulation assistants, are kept busy counting money.

Mike Witte, Lila Fox, Mr. Kuebbeler, Lonnie Alan, and **Jerry Knauer** discuss technical problems during the play rehearsal.

Senior Play

The class of 1959 chose a comedy by Arnold Ridley called "Ghost Train" for its annual production. The play involves a group of railroad passengers who are stranded in an out-of-the way depot for the night while their train is derailed. The plot becomes more involved when the old station-master starts telling stories about a ghost train that passes through every night at midnight. After listening to this story, the passengers become frightened and jumpy. But everything works out in the end, including the capture of a gang of smugglers.

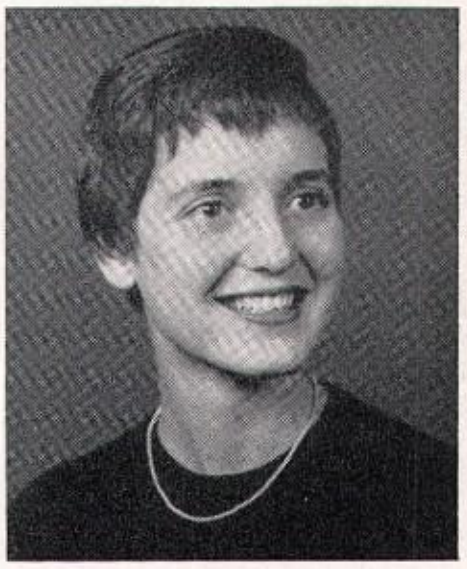
The play, under the direction of David Kuebbeler, was enjoyed by everyone.

Tom Lippold and **Tom Washing** assure **Laury Lipman** that "everything will be all right."

Mike Witte, Sue Tanner, and **Tom Washing** look on as **Laury Lipman,** center, awakes from a deep slumber.

Miss Elizabeth Papps
Faculty Adviser

Deviltries *presents* "MARILEE"



Laury Lipman
General Chairman

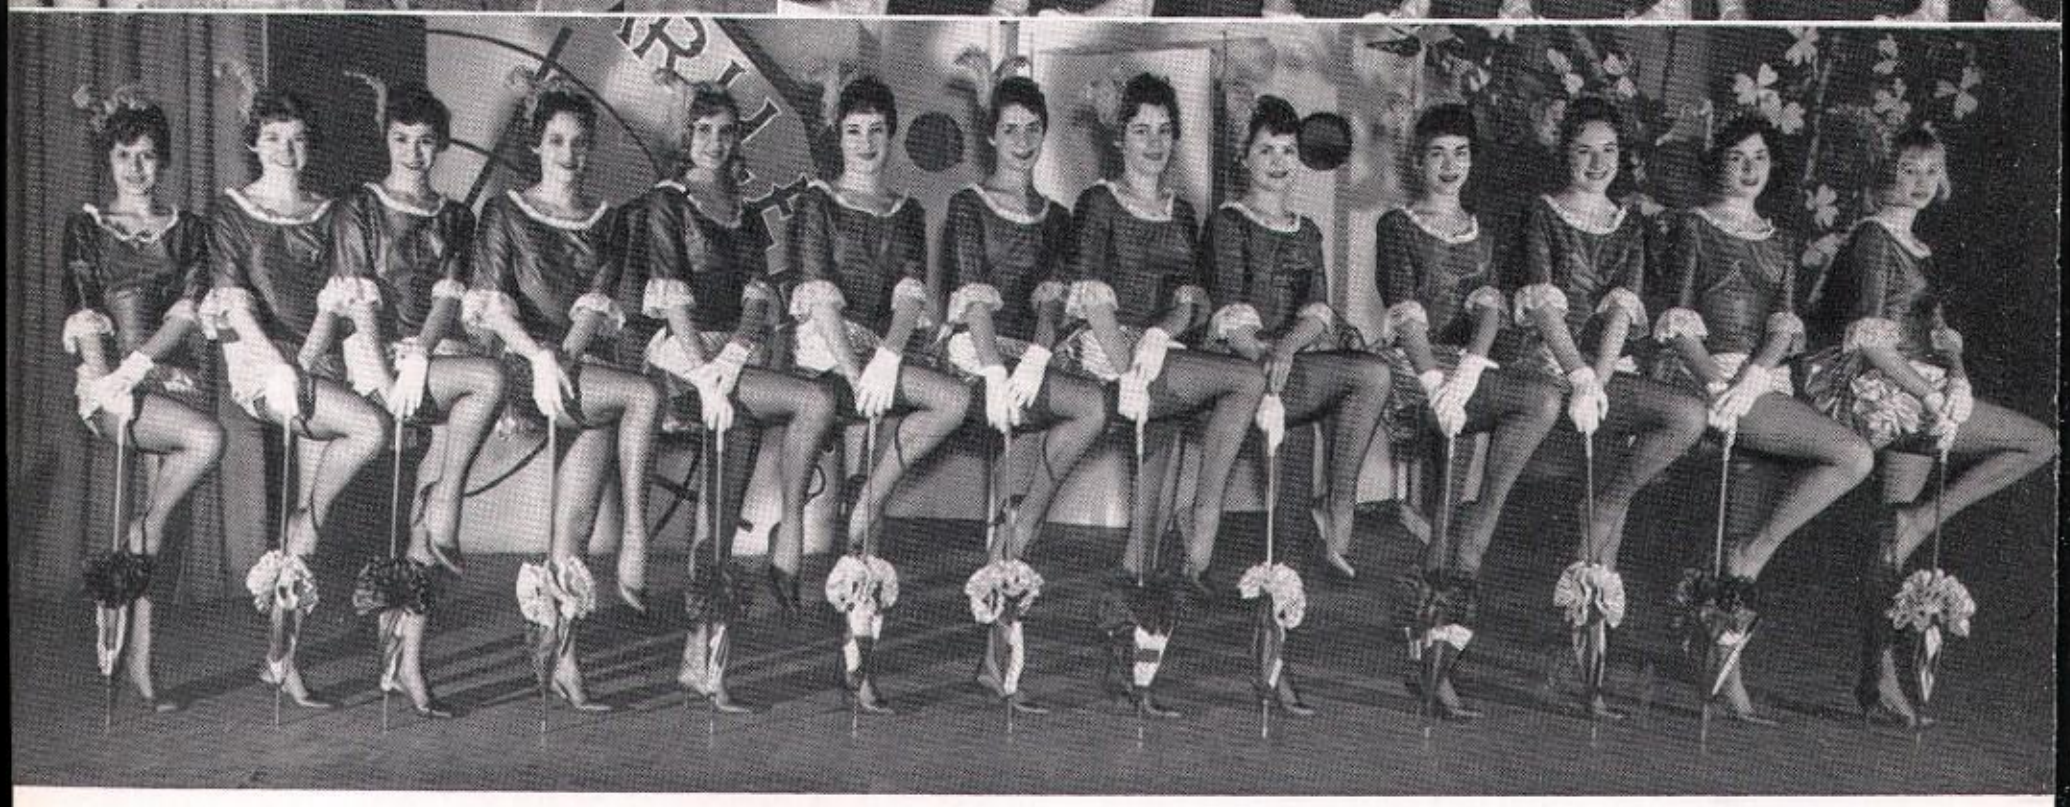
"Best ever"—this was the motto of Deviltries of 1959. For this year's production a showboat theme was selected by the steering committee and by Laury Lipman, general chairman, with the aid of Miss Elizabeth Papps, faculty adviser. This theme gave us a wealth of possibilities to work with: colorful costumes from a romatic era, enjoyable characters, and a range of scenery from a waterfront settings to shipboard scenes.

The script, written by the two directors, Tom Lippold and Sue Tanner, involved a will with a strange inheritance, the heir (a typical college man), a showboat named Marilee, and a prim and proper business manager with romantic designs on the young heir. The plot was an excellent vehicle for the many fine talents which were skillfully interwoven in the script.

Friendships, late hours, rehearsals, nerves—these words came to be synonymous with Deviltries to the cast and directors. These students along with Miss Papps labored for months toward the goal of a "best ever" Deviltries and during this time many new acquaintances were made. The last few weeks before Deviltries, the cast rehearsed from 6:00 to 11:00 in the evening. It was during these rehearsals and the regular performances that we learned to work with one another. Cast members suddenly began to get a pang in their stomachs accompanied by butterflies before their numbers. During the last few dress rehearsals, a question always arose in everyone's mind—"Will it be a success?"

It was a success. Deviltries left memories of new friendships and worthwhile, happy experiences.

Tom Lippold and **Sue Tanner,** Student Directors



TOP ROW (L. to R.): Jill Gerson, Carol Williams, Jeanie Florence, and Bev Shawen dance to "Here Comes the Showboat." Dave Lea and Nancy Micham amaze the audience with magic. SECOND ROW: Linda Johnson imitates Marilyn Monroe while Anne Young and Anita Liberman vie to dance with her. The majorettes, Judy Garrison, Joanne Conaway, Maria Knowles, Bonnie Haydu, and Sue Reeve dance to "Mississippi Mud." FRONT ROW: The 1959 usherettes are, left to right: Polly East, Sue Tanner, Mary Mohr, Sue Byers, Sandy Harrington, Kathy Harpster, Muriel Jones, Carolyn Schuster, Irma Dressler, Margie Brower, Diane Hostetter, Barb Foley, and Janet Alspaugh.

TOP ROW (L. to R.): Laury Lipman, Linda Radabaugh, Judy Bundy and Lynn Urwitz dance and sing "Life Upon the Wicked Stage." Tom Washing, Lila Fox laugh at Tom Lippold, and Mike Witte. SECOND ROW: Liz Snow, Mary Wicklund, Mary Vick, Marilyn Singer, and Peter Froelich played their strings. Darlene Ryen and Sue Ruby dance to the music of the Marilee Band. FRONT ROW: Larry Knennelin sings with the A Cappella Seniors. Dan McPortland, "Doc" Mewborn and Carol Lasobik entertain.

SUE TANNER

Miss Sue Tanner was elected Homecoming Queen of the 1958 football season. Her popularity at DeVilbiss is indeed well-deserved. Her varied activities include serving on the Welfare Commission and being a member of Debutantes and Thadevilians. She is a student director of Deviltries, an usherette, and a varsity cheerleader. DeVilbiss can well be proud to have had such a lovely young lady to reign over its homecoming game.

Miss Sue Tanner, our Homecoming Queen, reigns at the Homecoming football game.

A Cappella Choir

This year, the DeVilbiss A Cappella Choir sang for numerous organizations and concerts. At Christmas time, the A Capella presented a program of Christmas carols and hymns for the student body. They also gave a radio broadcast of these songs over W. T. D. S. As money-making projects, the choir members sold chocolate bars and candy turtles. In the spring, the A Capella sang at the Lions Club Convention at the Secor Hotel. In addition to singing for the Choir Festival in February at the Art Museum, they gave a spring concert for the PTA in the DeVilbiss Auditorium. A fine musical program at the Baccalaureate Service climaxed a successful year for the A Cappella Choir.

ORGANI

ZATIONS

In every river or waterway there is a definite current. This current is an unlimited supply of energy. Often, however, this energy is wasted and the current of the river is not used to its fullest extent. The St. Lawrence Seaway does not waste this power of the water. As we approach the Iroquois Lock, we have traversed enough of the Seaway to realize that it plays a great role in supplying electrical power to the surrounding areas in Canada and the United States. The great hydroelectric plants, which we have seen, convert the energy of the water's current into electricity, the useful energy which has improved the lives of everybody in the world. In any large or small school, there is also much energy, but this energy is often wasted just as the energy of a river's current is sometimes neglected. However, this energy is not wasted here at DeVilbiss. The clubs and organizations of our school change the great energy and the numerous talents of the students into helpful and constructive projects. These clubs aid the school and the community and each student to become a better individual.

Outstanding
LITERARY Club

Forum

Down through the St. Lawrence Seaway we go with the Forum Literary Society. Through the course of their eight years at DeVilbiss, the members have promoted literary projects of every kind: book reports, plays, jazz concerts, and musicals. This year, under the able leadership of Mr. J. Norman Klee, their adviser, they have done much to satisfy their hunger for literary programs. Forum's biggest project this year was its religion study. The members studied and attended services of all of the major religions in the world except Oriental and Far Eastern countries. But the club undertook social projects also. That is, the members had a hayride, went Christmas caroling, had a stag party for Alumni members, and an annual shaving cream contest. They have also gone to see the "Messiah" in Ann Arbor, given a roast for their fathers and had their annual Christmas party. Forum is constantly striving to do better and is progressing rapidly. Having a "C" average in English and being a sophomore, junior, or senior boy are the only requirements for admission to the club. Seeing that the club has accomplished a great deal this year, we leave them at port saying, "Forum Forever".

Debutantes

Since its founding in 1954, Debutantes Social Club has realized the honor of receiving the Outstanding Social Club Award for both 1957 and 1958. Debutantes is keeping up its active schedule this year also. That is, the girls presented a turnabout party, a roast at Ottawa Park, a record hop, a pizza party at a member's home, a hayride, a private dance, and a breakfast. These girls undertake not only social projects, but service projects as well. For example, the girls acted as hostesses for the DeVilbiss Card Party, they donated a Christmas food basket to a needy family in Toledo, and presented entertainment at an orphanage. This club has successfully endeavored to bring its members together and develop both their social life and their qualities of leadership. Debutantes has truly lived up to its purpose of making its girls more conscious of their social environment.

Key Club

Key Club completed many important service projects this year. On Halloween members from Key Club and Sisco collected over $100 for UNICEF. At Christmas the two clubs went to the Crippled Children's Home and Toledo Hospital to sing Christmas carols. In the spring the club entertained orphans by taking them to the Toledo Zoo on one Saturday and by taking them on a picnic at Fort Meigs Park on another Saturday. The club arranged for the Vocations Day program at which men representing various businesses advised interested seniors about their careers. The club also presented a gavel to ICC. For money-making projects Key clubbers sold confetti at a football game and also helped to arrange for the Rubinoff violin concert at DeVilbiss. The club is sponsored by the West Toledo Kiwanis Club, which sends an adviser, Mr. Barney O'Connell, to the club's meetings. Key Club sends two different members to attend the Kiwanis luncheons and meetings every Tuesday. Next year we can again look to Key Club for continued service to the school and community.

In order to be a member of Los Gauchos, a boy must have finished one year of Spanish or else one semester with superior grades. The purpose of this club is to learn more about Spanish customs and culture. The club's program for the year was to promote interest in the foreign affairs of people from Spanish-speaking countries. The members of Los Gauchos purchased portfolios and text books about Brazil, Mexico, and South America to be used in the Spanish classes. This organization meets each third Wednesday of the month in the members' homes and sometimes before and after school in room 101. Through membership in this club, the members have gained a knowledge of and interest in the Spanish people, language, and customs which will enable them to develop a better understanding of the Spanish-speaking people.

Sub-Debs

The Junior and Senior girls who are members of the Sub-Debs Social Club have had a very active year. Their program for the year was centered around social activities, as this is the main purpose of this club. Every member of the club was busy planning in order to fill the club's quota of two social events a month. The member's pogram for the year included a roast, a treasure hunt, and a splash party. They also held a girl-ask-boy dance. So that all their attention wouldn't be devoted to social affairs, the girls planned many service projects, one of which included collecting for the City of Hope. Any Junior or Senior girl with a "C" average or better is eligible for membership. Meetings are held the first and third Tuesday of every month in one of the member's homes. The members of the club all work hard on the various activities and, in turn, the club does much for them. Each member meets many new friends and finds new activities.

Senior Sorelles

The members of Senior Sorelles Social Club have had a very active schedule this year. Under the leadership of the advisers, Miss Marie Stoll and Mrs. Louis Mayo, the twenty-nine members have participated in a fun-filled program. They had a treasure hunt with their sister club, Junior Sorelles, and gave a good-will basket to the Toledo State Hospital. This was followed by a pizza party and a bowling party. Then came their annual New Year's Eve dance with Q. D.'s. In the spring, the girls modeled in a fashion show. The senior banquet ended their fourth year as an outstanding social club of DeVilbiss. These many and varied projects of Sorelles have helped them gain a better understanding of each other and of themselves. To be a member, a senior girl must have a "C" average in all subjects. The club meets twice a month in the homes of the members. This organization has helped its members to have fun together and has developed lasting friendships.

Sisco

Outstanding
SERVICE Club

Service to the school and community, the purpose of Sisco, has been carried out this year through the club's many projects. The girls in Sisco went to the Children's Home to help feed and entertain the patients. They also cleaned the student and faculty parking lots, made cancer pads monthly for the Cancer Society and went trick or treating with Key Club for UNICEF. Some of Sisco's social events included a hayride, a Christmas private, a treasure hunt and a Mother's Tea. In order to qualify for membership in this organization, a girl must have a "C" average in her grades and a sincere interest in service to others. Sisco meets on the first Friday of the month after school and the third Wednesday night of the month at seven-thirty. Through membership in Sisco, these girls have become more aware of their duty of service to the school and the community.

I-Da-Ka

"The purpose of this club shall be to create and maintain among the members the idea of serving others," states the constitution of this industrious service club. I-Da-Ka, since its organization in 1957, has continually striven to uphold this philosophy. In the fall, the members made maps to enlighten the bewildered freshmen, and made mittens for the orphans. They also made and distributed tags for the magazine drive. I-da-ka members also helped with Revelries. Later on, they collected for both the UNICEF and Amvets campaigns. Their biggest project was the adoption of a girl at the Roche Memorial Hospital. They have visited and entertained her frequently. Any girl with a "C" average is eligible for membership. The meetings are held on alternating Fridays after school in the members' homes. Through this club, the members have learned to co-operate with others in carrying out their projects. I-da-ka, by winning the outstanding sevice club award in 1958, has shown that it takes the words of its constitution literally.

TOP ROW (L. to R.): Jackie Ritz, Jean Jennings, Karen Owens, Judy Miller, Sue Loudon, Sandy Symmes, Louise Treuhaft, Karen Andersen, Jeannie McClow, Sharon Ogle, Rhoda Weinman, Carol Quertinmont, Ginny Daso. SECOND ROW: Carol Dodd, Sara Kennedy, Joan Spalding, Jane Babcock, Sharon Seigle, Mr. Goode, Adviser; Ann Loudon, Evy Hummon, Nadine Brown, Elin Rubin, Joane Harvath. Junior Sorelles

The thirty-five members of Junior Sorelles have enjoyed many good times together this year. Through membership in this social club, the girls have made many new friends and have learned to work together and to co-operate with each other. To be a member, a junior girl must have a "C" average in every subject. The meetings are held on the second and fourth Tuesdays of each month in the home of a member. This year, the members started their social program by having a turn-about party which was enjoyed by all. Their hobo dance was a riotous success. These activities were followed by a splash party with Forum. For their service projects, Sorelles gave cookies to the basketball team and helped a less fortunate family of Toledo. Under the leadership of the advisers, Mr. Goode and Mrs. Sprague, Sorelles has given its members a profitable opportunity to participate in social functions.

TOP ROW (L. to R.): Tonja Hood, Sandy Mynderse, Carol Hill, Mary Bottles, Ginger Reaser, Carol Augustus, Willa Rutchow, Joyce Spang, Marilyn Jedd, Jayne Morris, Sue Heffner, Carol Garland, Sharon Kopka. FRONT ROW: Sue Derr, Janet Nichols, Sue Miller, Sharon Mandre, Sue Hulsebus, Carol Hershman.

Vo-ee-theians

This year the Vo-ee-theians Service Club completed many worthwhile projects. On November 27, last year, club members braved the cold weather to decorate our stadium for the annual Thanksgiving Day football game with Libbey. Each month the club goes to the Toledo State Hospital to serve cookies and drinks to the patients. The members have also visited the Children's Home where they entertained and assisted the children. At Easter the members made baskets for the Orphanage and also took the children on the club's annual roast. As part of the social program for the year, the Vo-ee-theians held their Senior Banquet in May and as a money-making project the club members sold greeting cards. The members must have a "C" average and be willing to work with the club. Meetings are held after school in the girls' homes. By working together, the members have become better acquainted with each other and with people in the community. This year Vo-ee-theians, under the leadership of its officers, has completed many worthwhile projects which have been of great service to both the school and the community.

TOP ROW (L. to R.): Cecily MacKenzie, Diane DeTray, Linda DeWald, Nancy Durdel, Nancy Whitaker, Joan Morgan, Pat Dunlop, Pat Quimby, Wilma Ray, Jea Hutison, Jan Hummel, Jan Gibbs. A varied program of social and service projects have been undertaken this year by Frauleins. The purpose of this club is to acquaint the members with new friends and to promote goodwill within the school. As service projects, the members cleaned the school pianos and donated funds to the Red Cross. For social projects, they had several hayrides. The members also sold green popcorn balls on St. Patick's Day and had successful bakesales. Any junior or senior girl with a "C" average may become a member. The meetings are held on the first and third Tuesdays of each month at the homes of the members. Frauleins has taught its members to work and cooperate with many different personalities while accepting the responsibilities of a social and working life.

TOP ROW (L. to R): Joyce Roman, Pat Anderson, Sue Heinrich, Karen Arnold, Faye Hall, Bonnie Blank, Sue Donahue, Linda Hart, June Young, Wendy Hawkins. SECOND ROW: Sandy Siders, Sandy Klappich, Carol Augustus, Carolyn Stevens, Kathy Frumkin, Carol Binkley, Mr. Scheig, adviser; Carol Chitwood, Judy Howard, Diane Garnder, Barbara Molnar, Sue Baxley. Amica

The Amica Social Club, organized in 1953, has certainly fulfilled its purposes to promote friendship through social projects and to help to benefit others. Under the leadership of its capable officers, the club has completed a very successful year. It had a program for each school season plus many other parties. In the fall the members had a roast, a jitney supper, and a hayride. In the winter the projects were an ice skating party, a bowling party, and a caroling party for a charity organization. This year they also entertained their graduates at the alumnae tea. Later on they had a Christmas party for the club. They followed the trends in music by having a calypso party. The club enjoyed the color and designs of the Holiday on Ice show. An unusual program this year was the Secret Desire party. Here the members expressed their dreams and desires to the club. This year they also had three money-making projects. The first was an auction at which the members contributed some of their belongings to the club. The second was a rummage sale. The selling of candy was the third project. The members helped the school and community this year too. For school football games they made and sold DeVilbiss shakers which were colored orange and black. They then contributed a basket of food to a needy family for Christmas. These projects have helped the girls to get along better with others and have given them leadership ability through individual participation in the club. Mr. Sheig, the school adviser, has helped this club through his counsel and attendance at its meetings. As one can see, the members of this club have truly helped themselves and others during this year.

TOP ROW (L. to R.): Verna Smith, Darlene Lindner, Pat Crawford, Sandra Burkholder. SECOND ROW: Pat Sullivan, Barbara Winkle, Carol Butler, Colleen Sullivan, Judy Combatelli. FRONT ROW: Janet Balint, historian; Pat Rancich, secretary; Doni Sauter, president; Barb Blum, vice president; Judy Bossler, treasurer.

Adella

The Adella Social Club, formed two years ago, has just completed a very successful year. The purpose of the club for the members is to make lasting friendships and have fun with each other and still be of service to their community. Through their various service projects, the members have received the satisfaction of having done a job well. One of the projects of this club was the making of a joke scrapbook for the Veterans' Hospital. They had a bake sale and also collected tax stamps. In October the members enjoyed a Halloween party. They also sent greeting cards to the other clubs at Halloween and Easter. Any girl with a "C" average in all subjects is eligible for membership. The meetings are held on the first and third Monday in the members' homes in the evenings. Adella has helped the members, not only by uniting them in common endeavors, but by creating friendships and showing them the advantage of working together harmoniously.

TOP ROW (L. to R.): Bob Guynn, president; Rick Shafer, Terry Quigg, Don Wood, secretary; Doug Towle. SECOND ROW: Bob Hanslip, Phil Zepp, Jack Booth, Cathie Brandt, Sue Hill, Mike Lipman, Jim Ellis, Michael Kruger. THIRD ROW: Sheldon Richter, Jim Miller, Mr. Voss, adviser; Dick Ravin, Michael Linver.

To promote an interest in the collecting and studying of stamps and coins is the objective of this ambitious club of DeVilbiss. Organized in 1951, under the leadership of Mr. David Voss, this club has had a full agenda this year. The members have attended many and varied lectures and discussion groups, held auctions and trading sessions, and visited the Toledo Coin Club. The members also arranged several displays in the Library. Meetings are held after school the first and third Wednesdays of each month. The club has tried to aid the collectors by giving information and helping them in their search for new additions to their collections. The Stamp and Coin Club has helped its members by bringing them together under the common interest and influence of their hobbies.

TOP ROW (L. to R.): Luella Monday, Margaret Ford, Mary Casali, Carol Shanteau, Carol Tesnou, Gloria Bond. SECOND ROW: Lindell Ahlfoes, Nancy Kean, Georgean McDonald, Marcene Milke, Barbara Simons, Susan Kenworthy, Sandra Weaner. FRONT ROW: Judy Byington, Elaine Hummon, ICC representative; Karen Ardner, vice president; Judy Ennis, president; Carole Wright, corresponding secretary; Julie Ollier, Martha Gamble, recording secretary.

Future Teachers

Under the able assistance of their advisers, Miss Pasch and Mr. Conrad, the Future Teachers of America officers and members have made this past year a very worthwhile one. Ever since Future Teachers was formed in 1947, the real purpose of this club has been to help members to understand the qualifications needed in teaching and to promote interest in the field of education. This purpose has been carried out to a high degree as shown in the many programs and activities which the organization has had. Movies, speakers about teaching in many different fields, and reports about teaching and college are a few examples. Many projects, too, have played a big part in the club's achievements. To name a few, the members have sent Valentine's boxes to Lott Day School, put on talent shows at the Children's Hospital, graded teachers' papers, and have even helped by tutoring some students. To become a member of F. T. A., a person must be a second semester freshman, sophomore, junior, or senior who has at least a "C" average and who is truly interested in teaching. Every first and second Monday of every month has been the meeting day chosen by the members for the past year. One meeting a month is after school and one is in the home of a member. The club has been able to help its members in a wonderful way by developing the beginnings of professional attitudes toward teaching and by giving the members an opportunity to examine the field of teaching in the most beneficial way. To end a good year, Future Teachers will give an award to the member who they feel will make the grade as "the best teacher ever."

TOP ROW (L. to R.): Joan Spalding, Linda Radabaugh, Karen Anderson, Ardith Mayo, Robin Diller, Paula Soutar, Janet Alspaugh. FRONT ROW: Jane Babcock, Janice Askey, secretary; Toni Green, president; Judy Swan, vice president; Susie Wallis, treasurer; Barbie Champe.

Pericleans

The Periclean Literary Society is one of our oldest clubs, having been formed during DeVilbiss' first year. Composed of twenty junior and senior girls, ten from each class, a Perie must have a "B" average in English and a "C" average in other subjects. Under the leadership of the advisers, Miss Ruth Smith and Mrs. Glenn Green, Peries has had a most profitable year. The purpose of the club is to promote literary activities and encourage further interest in all the arts. With this objective in mind, the program for the year has been "Literature of America". In December the members held an Alumnae Tea and had a Christmas literary display in the library. In February they had a Valentine date party. Later on, the girls enjoyed a splash party and entertained the orphans at St. Anthony's Villa. The meetings are held on the first and third Thursdays in the homes of the members at seven-thirty P. M. Peries has discovered and encouraged original talent, increased the members' knowledge in the field of literature, created enthusiasm for scholarship, and promoted leadership. It is fairly evident why Pericleans has been named the outstanding literary club at DeVilbiss, most recently in 1958. The Pericleans always remember that they are a literary club and with this in mind all their numerous activities have a literary purpose. With this, we are glad to leave them with our "Good luck" and "Pete Ad Finem"—seek to the end.

TOP ROW (L. to R.): Adele Schneider, Sandy Meinders, Carol Hill, Nancy Hammond. Zetaletheans

The Zetalethean Literary Society is one of the oldest clubs in DeVilbiss. Organized in 1930, it is celebrating its 30th birthday with a very active year, as usual. The purpose of the club is to promote the understanding of literary material such as poetry, plays, and novels. The program of this year bears the title, "Around the World in Eight Months". Each month the members select a different country and study the country's literary works. Other literary projects included a come-as-your-favorite-American-literary-character party, the taping of one of Shakespeare's plays, and attending all the plays at the Paramount and the Repertoire theaters. Among many social events are a Dad's and Daughters' Theater party. Halloween and Christmas parties, and a Mothers' Tea. Various service projects include the following: working in connection with the Lott Day School, collecting for UNICEF, helping put up displays in the library, and decorating the school windows at Christmas, for which they received 'The Little Brown Jug' award. On Senior awards day this year, Zets will present the "Girl's Literary Award" to a senior girl chosen by the English teachers. By all these varied activities we can see that the girls in Zets are very busy. Each member in Zets has a chance to form lasting friendships and increase her literary skills.

Closer relationships and understanding between the members is the goal of Senior Socialites. This social club was organized in 1955. Under the leadership of Mr. Clark Folgate, Adviser, the twenty-four members have had a very enjoyable year. This year, Socialites donated clothes to a needy family and made favors for the patients at Roche Memorial Hospital. They also had a Christmas party for the children at St. Anthony's Orphanage. Twice they decorated the football stadium: for the Homecoming and Thanksgiving games. They were also winners of the Little Brown Jug in 1958. The meetings are held in the members' homes on the first and third Mondays. The members of Senior Socialites, by serving others while co-operating among themselves, have certainly accomplished the goal of this club.

Tonja

Tonja Service Club was organized in 1957. Since then, under the capable leadership of the advisers and the mothers of the members, it has done many worthwhile projects to strengthen its reputation at DeVilbiss. Its purpose, to do service to the school, city, and state, and to members themselves, was realized through the services rendered to needy and unfortunate people in the city. The members gave talent shows at orphanages and made puppets for the children. This was only one of the many and varied projects of this club. A member must be a freshman, sophomore, junior, or senior girl with a "C" average. The members meet in the evenings on the second and fourth Thursdays of the months in the members' homes. Their club has given the girls responsibilities and helped them to gain maturity through serving others.

Equestriennes

Not usually heard along the Seaway is the expression "We ride tonight!" This is the motto of Equestriennes riding club. This year has been an especially busy one for Equestriennes. Besides riding at the Douglas Meadows Stables, the members heard talks on the care of horses. They also had a treasure hunt on horseback which everybody thought was one of the most hilarious events he had ever attended. During the holiday season, Equestriennes gave its annual Thanksgiving basket to a needy family. This year the club also adopted a little girl at the William Roche T. B. Hospital. The club's social activities included a Christmas party at the stables and a jitney supper. They also had a breakfast ride and bake sale. Winding up this year was a horse show in the spring, for which they cleaned up the whole stable. We're glad that there are such athletic clubs as this one, because they stress one of the most important attitudes - - sportsmanship.

Sharps and Flats

The Sharps and Flats Club has done much to live up to its purpose, which is "to create, maintain, and promote interest in music as a cultural and artistic means of self-expression." Since its beginning in 1938, Sharps and Flats has secured a fine reputation in DeVilbiss as a club that sets high standards and lives up to these standards. For example, the members have attended many concerts throughout the year, have heard well-known musicians speak, and have attended current musicals. They have organized their own traveling musical group which performs throughout Toledo, and at every meeting one of their members performs. In 1958 Sharps and Flats was voted the Outstanding Special Interest Club. One can easily understand why they won this award, for each member is a willing worker and a music student. Several members have been winners at the Bowling Green State Music Contest, several are members of the Toledo Youth Orchestra, and some have played in the Toledo Orchestra. The Sharps and Flats Club has given its members the experience of performing before others and has encouraged enjoyment and appreciation of all types of music.

Tri-D

A Sadie Hawkins Dance started the social season of the Tri-D Social Club. This successful affair was followed by an equally successful bake sale. As service projects they made favors for Riverside Hospital and conducted a pen-pal project with the Old Folks' Home. In the spring the members had a turn-about dinner at the Toledo Yacht Club. A freshman, sophomore, junior, or senior girl with a "C" average in all subjects is eligible for membership. The meetings are held on alternating Tuesdays at seven-thirty in the homes of the members. This club has united its members in work and play and, by this, has brought its members the satisfaction of helping others and enjoying it.

La Alianza

The La Alianza club, which won the award for the best special-interest club in 1955-56, has certainly done much to deserve this award. Some of the club's many projects include the following: sending numerous care packages to the Latin-American countries, presenting a Spanish style dinner for the members, and inviting guests from Spanish-speaking countries to attend meetings. Since its beginning in 1948, La Alianza has strived to promote better relations between the United States and the Latin American countries. In order to accomplish this, the members have studied the language, customs, and history of the Spanish-speaking people. In holding with the club's standards, each member must have taken at least one semester of Spanish in school. Under guidance of its faculty adviser, Miss Marion Smith, and its parent adviser, Mrs. Wayne Miller, La Alianza has truly helped its members to know more about life, customs, and current events in Spanish America.

Because it was reorganized in 1958, the Cheveaux Riding Club is one of the newer clubs at DeVilbiss. The members' main program centers around skill in horseback riding. Their aim is to teach their fellow-members how to ride or help them become better riders. The club members try to go riding once a week if the weather permits. They meet every Wednesday in Mr. Feldstein's room and go to the stables from there. This year they took a trip to Cleveland to ride at Highland Park. They also held a Breakfast Ride with the Equestriennes. Showing a completely different talent, they won the third prize in the Christmas window competition. Any boy or girl at DeVilbiss can join Cheveaux, even if he can't ride. All one needs is a desire to learn. Cheveaux helps its members become better riders and gain poise, while social skills and responsibility also play an important role in the purpose of this club.

Delphians

In 1955 the Delphian Literary Society was formed with the purpose of helping to develop the minds of the members and to aid them in forming a well-rounded personality. Their varied activities show that they have endeavored to carry out this program. Their literary projects incude the following: book reviews, reports of current events, cultural movies, and a meeting of Toastmasters International. They participated in intra-mural basketball and held a skating party with Philalethian Literary Society. In serving their school they painted the football schedule near the stadium. A service project for the community included contributing to the Goodwill Industries. To be a member of this club, which received the outstanding Literary award in 1957, one must have a "C" average or better in English and be a freshman boy in the second semester or older. Meetings are held the second and fourth Tuesday evening of the month in members homes. Participation in the clubs various projects constitutes the very basis of the members accomplishments. When participating actively, the boys not only gain experience in cooperation but develop important qualities of leadership.

Junior Socialites

Junior Socialites was organized for freshman and sophomore girls in 1957. Under the adviser, Mrs. Mary Hartman, this club has enjoyed a most profitable year. The purpose of this young club is to bring its members together in closer understanding. The girls have enjoyed a pizza party, a sledding party, and a hayride. They held a tea for their mothers and a dance for the members and their dates. They also had a bake-sale in the fall. In December the girls went caroling and in February they made Valentine favors as a service project. The meetings are held after school in the homes of the members or at school. By providing social functions for its members, Socialites has helped its members to know each other better and to acquaint themselves with many new aspects of DeVilbiss life. Although the purpose is social, the members have given up much of their time toward improvement of their school and community through service.

The Ezelles Art Club has helped its members by furthering their interests in art and by displaying their art ability. The club has two meetings per month in the adviser's room following school. A member may be a freshman, sophomore, junior, or senior, but must have a major or minor in art. Ezelles has carried out a most worthwhile project. The ten members have adopted an elderly man at a rest home and visit him frequently, bringing gifts. They made a Christmas tree for an orphanage and made a trip to the Museum of Art. In the spring they held a sketching bee. Ezelles was formed in 1955 to further interest in art. Under the leadership of the advisers, Miss Amy Kimpton and Miss Mildred Johnston, this idea has been followed earnestly.

Shutterbugs

A newly organized club this year, this organization has been very active during the season. The club's purpose is to further the members' knowledge of and interest in photography. The members have had demonstrations in various processes of developing and printing pictures and gone on a number of outings for the purpose of taking pictures under different conditions. They have also had lectures and slides about photography. One of their biggest projects for the entire year was the contest they held for pictures the members had taken and saved. Their social projects included a hayride in the fall, a New Years Eve party, and various other parties throughout the year. In order to qualify for membership in this club, one must own a camera and have an interest in photography. The members meet the first and third Monday of the month after school in the Pot O' Gold room. Through this club, the members have learned how to take and develop better pictures.

Pay-a-el-sa

To promote high ideals and friendship among the members and to be of service to the school and community, the purpose of the Pay-a-el-sa Service Club, has been successfully carried out by the club's many projects. The members gave food and clothes baskets to needy families, made favors for hospitals monthly, and shoveled sidewalks for invalids. They also made scrapbooks for the Old Folks Home, decorated the auditorium for the Homecoming mass meeting, and painted a Christmas window for which they won second prize. Projects on the social calendar included a turnabaut party in November, a card party in February, a private dance in April, and a progressive dinner in May. Membership requirements for Pay-a-el-sa are to have a grade average of "C" or better and a willingness to help others. The members of Pay-a-el-sa meet every other Friday after school in the members' homes. Membership in this organization has enabled the girls to find new friends in the club and to have the satisfaction of being helpful to others.

TOP ROW (L. to R.): Yvonne Leonard, Judy Adcock, Judy Simmons, Phyllis Hart, Judy Hunlock, Sue Miller, Shirley Russel, Kathy Moore. Les Femmes, who aim to further the social interest of their members, certainly have reached the goal. For example, this year the members held a hayride, a splash party, an "unbirthday" party, and a turn-about dance to which each girl invited a boy, called for him, accompanied him to the dance, took him out to eat, and finally escorted him home. Although at first the girls were a bit uneasy about assuming the boys' role, the dance was a success among both the boys and the girls. The Les Femmes have undertaken projects other than social events. That is, the girls entertained a group of orphans by giving them a party, they helped to collect money for the annual Easter Seal Drive, they donated papers, hangers, and stamps to Lott Day School, and they presented Thanksgiving and Easter baskets to needy families in Toledo. One can easily see that the Les Femmes girls, who founded this club in 1951, have certainly lived up to their requirements which call for an "interest in making friends and participating in social events and service projects."

Y-Teens

The Sophomore, Junior and Senior Y-Teens have worked under the direction of Chris Canning as president and Mrs. Bernice Gaiser as their adviser. They have completed many important social and service activities which have benefited the community, the school, and the members. As a service project, the club gave a Valentine's Day party for the children at Miami Children's Home. The club worked with the City-Wide Y-Teens Council to help bring about a formal dance, a trip to Cleveland to visit three colleges, and a trip to Camp Storer.

The club is composed of Sophomore, Junior, and Senior girls who are members of the Y. W. C. A. Members must maintain a "C" average and have a desire to work with the club to become a better Christian and citizen. Meetings are held on the first and third Monday of every month after school in the members' homes. This service club has done much this year for our community mainly because their purpose is to aim high and to promote the pleasures of others in a good Christian manner. These are some of the reasons why this club is always successful.

Future Nurses

Since 1949 the Future Nurses Club has helped to acquaint its members with nursing as a career. The club has two requirements for membership: first, a "C" average and second, an interest in nursing and a willingness to work hard for that goal. In this club the girls feel the responsibility of being a nurse. Here they learn of the many branches that they may enter. A number of the girls have been guided into various fields of medicine because of the influence of this club and its leaders. This year the members have learned and practiced some of the skill of nursing. For their meetings two speakers from each of the Toledo hospitals explained nursing procedures and other things that their hospital, in particular, would have to offer. Here the members could investigate the branch of medicine they were interested in. This program helped many to decide their life work. Also during this year the girls have learned the true meaning of service. To obtain nursing experience, the members did volunteer work at Toledo Hospital. Here they became a part of the hospital by helping the staff and comforting and entertaining the patients. Through this practical training, the girls have helped themselves as well as others. They learned that a nurse must be patient and sympathetic with everyone. Through the guidance of Miss Miller, our school nurse, they are learning the nursing profession from the experiences of one who has enjoyed every phase of it. Future Nurses, through its enthusiasm for nursing, has done a great service to our school and community.

Der Deutsche Verein

This German club was reorganized in 1955 with the purpose of understanding the German people better and their culture and way of life. The thirty-four members and their adviser, Miss Alice Gerding, attended two German church services in the winter. They also have seen movies and slides about Germany and attended pertinent talks. The members had a Christmas party and, in the spring, a progressive dinner, which was enjoyed by all. Any boy or girl in the school with a sincere interest in the German language and culture may become a member. The meetings are held on the second and fourth Wednesdays after school in the adviser's room. Der Deutsche Verein has contributed much to its members and the school.

Astronomy Club

To promote an interest in astronomy and other related sciences is the purpose of this organization. Since it was founded in 1953, the Astronomy Club has carried out this objective most effectively. The members' biggest project of the year was building a clock drive and a steel mount for the telescope which they constructed last year. This telescope received the highest rank in the Bowling Green Science Fair. Other projects for the year included collecting used eyeglasses which the members sent overseas for needy people and, as a money-making project, collecting tax stamps. In order to be a member of this club, one must have a sincere interest in astronomy and a "C" grade average. Astronomy Club meets after school on the first Tuesday of every month in room 210 and on the third Tuesday of the month at 8:15 P. M. in room 502 at the University of Toledo. The Astronomy Club has furthered the members' scope in astronomy by giving them practical experience.

Tawasi, established in 1957, is one of the newer clubs at DeVilbiss. It was organized primarily as a service club. A very important part of its service program centers around the Crippled Children's Home. Different members go there every week to help in various ways. The members also made a club roster for the benefit of all the freshmen. They made stuffed animals and also favors for various occasions. During the holiday season they painted a Christmas window and provided Thanksgiving and Christmas baskets. They helped to encourage our football players by making banners for each game. The club also found time for social affairs which included a hayride and a talent show and many other events to promote friendship and good times among the members. The girls meet Fridays after school in the homes of various members. This club helps its members develop a sense of responsibility and service to the school and community.

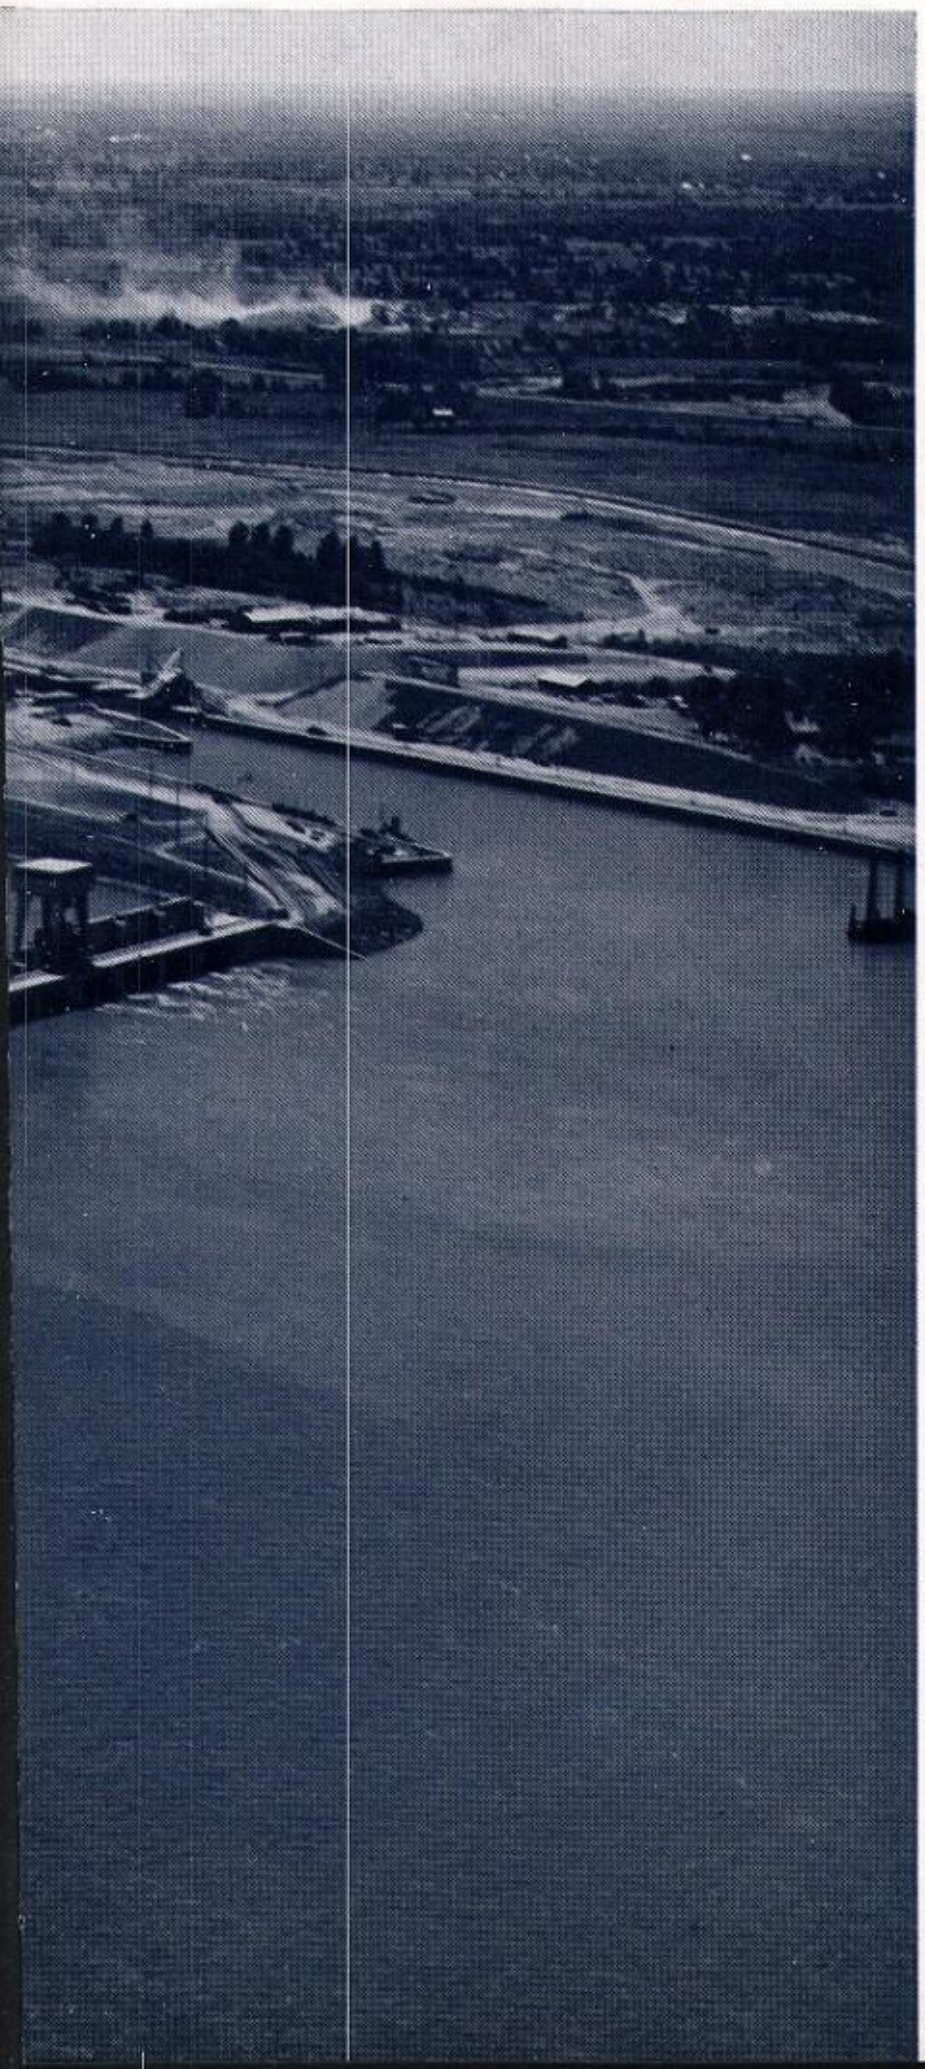
Quill and Dagger

The purpose of the Quill and Dagger Literary Society is to promote fellowship among the members of this organization. Its activities vary widely and include social and service projects. A big event for this club was the New Year's Eve Dance at the Secor Hotel Ballroom which it held jointly with Senior Sorelles. Another big project was March Madness, a dance held with the help and leadership of Forum Literary Society. The boys also displayed their artistic talents in their service projects of the year. That is, during the football season they decorated the stadium and painted the grandstands. Any boy who is a sophomore or older meets the requirements of membership in this club. Meetings are held twice a month on Tuesday nights in the homes of the members; and the meetings are in themselves quite an experience. The club has helped its members find good friends and satisfying activities throughout the year.

ATHL

ETICS



Through our varied high school experiences we are forging a chain that will be our character, our life. If we were creating some great skyscraper or dam or even if we were building the St. Lawrence Seaway we would have to start with a few basic premises. Upon these we would build something worthwhile, something useful, while never losing sight of the ultimate goal. Our athletes, though during the moment of play may feel that victory is the principal goal, keep in mind the fact that our athletic program has a more important purpose than merely turning out winners. We like to win but we also know how to lose. This is the most valuable thing participation in athletics can give us; a keen desire to win but the character to know how to gracefully accept defeat. It also teaches the value of unity of purpose and the necessity of organization to direct that purpose. Thus we see the merit of an athletic program as a cornerstone of our life. The ideals it infuses are the ones that create a life full of meaning, direction, and achievement.

Athletics Through the Years

DeVilbiss High School can indeed be proud of its excellent record in inter-scholastic athletics. In the span of 23 years since DeVilbiss entered the city high school competition, it has garnered honors in all sports. In these sports, DeVilbiss has won 50 championships in football, basketball, track, baseball, golf, and tennis out of a possible 132. Thus DeVilbiss—only one school out of seven—has won 38% of all championships. The number of winning teams in each sport are as follows: 6 in football, 5 in basketball, 9 in track, 5 in baseball, 12 in golf, and 13 in tennis. A record like this for a comparatively young school is indicative of the fine spirit in our school. For these championships are not the result of an over-emphasis on winning, but the stressing of the real value of athletics—the ability to cooperate and work as a team.

Ollie Klee

Mr. Ollie Klee was this year appointed as the new Athletics Director at DeVilbiss. Reasons for the appointment can readily be found by looking at the many athletic posts he has held in past years. Born in Piqua, Ohio, Mr. Klee attended Steele High School in Dayton, Ohio. There he earned many letters while participating in football, basketball, baseball, and track. He then went on to higher education at Ohio State University. For three years he participated in football and baseball, earning a letter in each. Upon graduation, Mr. Klee found adventure in big league baseball with the Cincinnati Reds and later with the Toledo Mudhens. Mr. Klee started his teaching career at Jacob Tome Institute, a private boys' school in Maryland. He taught there for seven years and coached football, basketball, and baseball. Mr. Klee then went on to Port Clinton where he taught for two years and coached football, basketball, and track. In the fall of 1934 Mr. Klee came to DeVilbiss. He attained the position of assistant coach of football and basketball. Next he was head coach in baseball, as he remained for five years. The second year after Mr. Murphy took over as head coach of football at DeVilbiss, Mr. Klee became ticket manager. When Mr. Murphy took over as assistant principal, Mr. Klee became the new athletics director at our school. Mr. Klee has all the qualifications for this position as we can see by his many coaching positions in the past years. DeVilbiss can well feel proud and fortunate to have such a man in charge of athletic activities at our school.

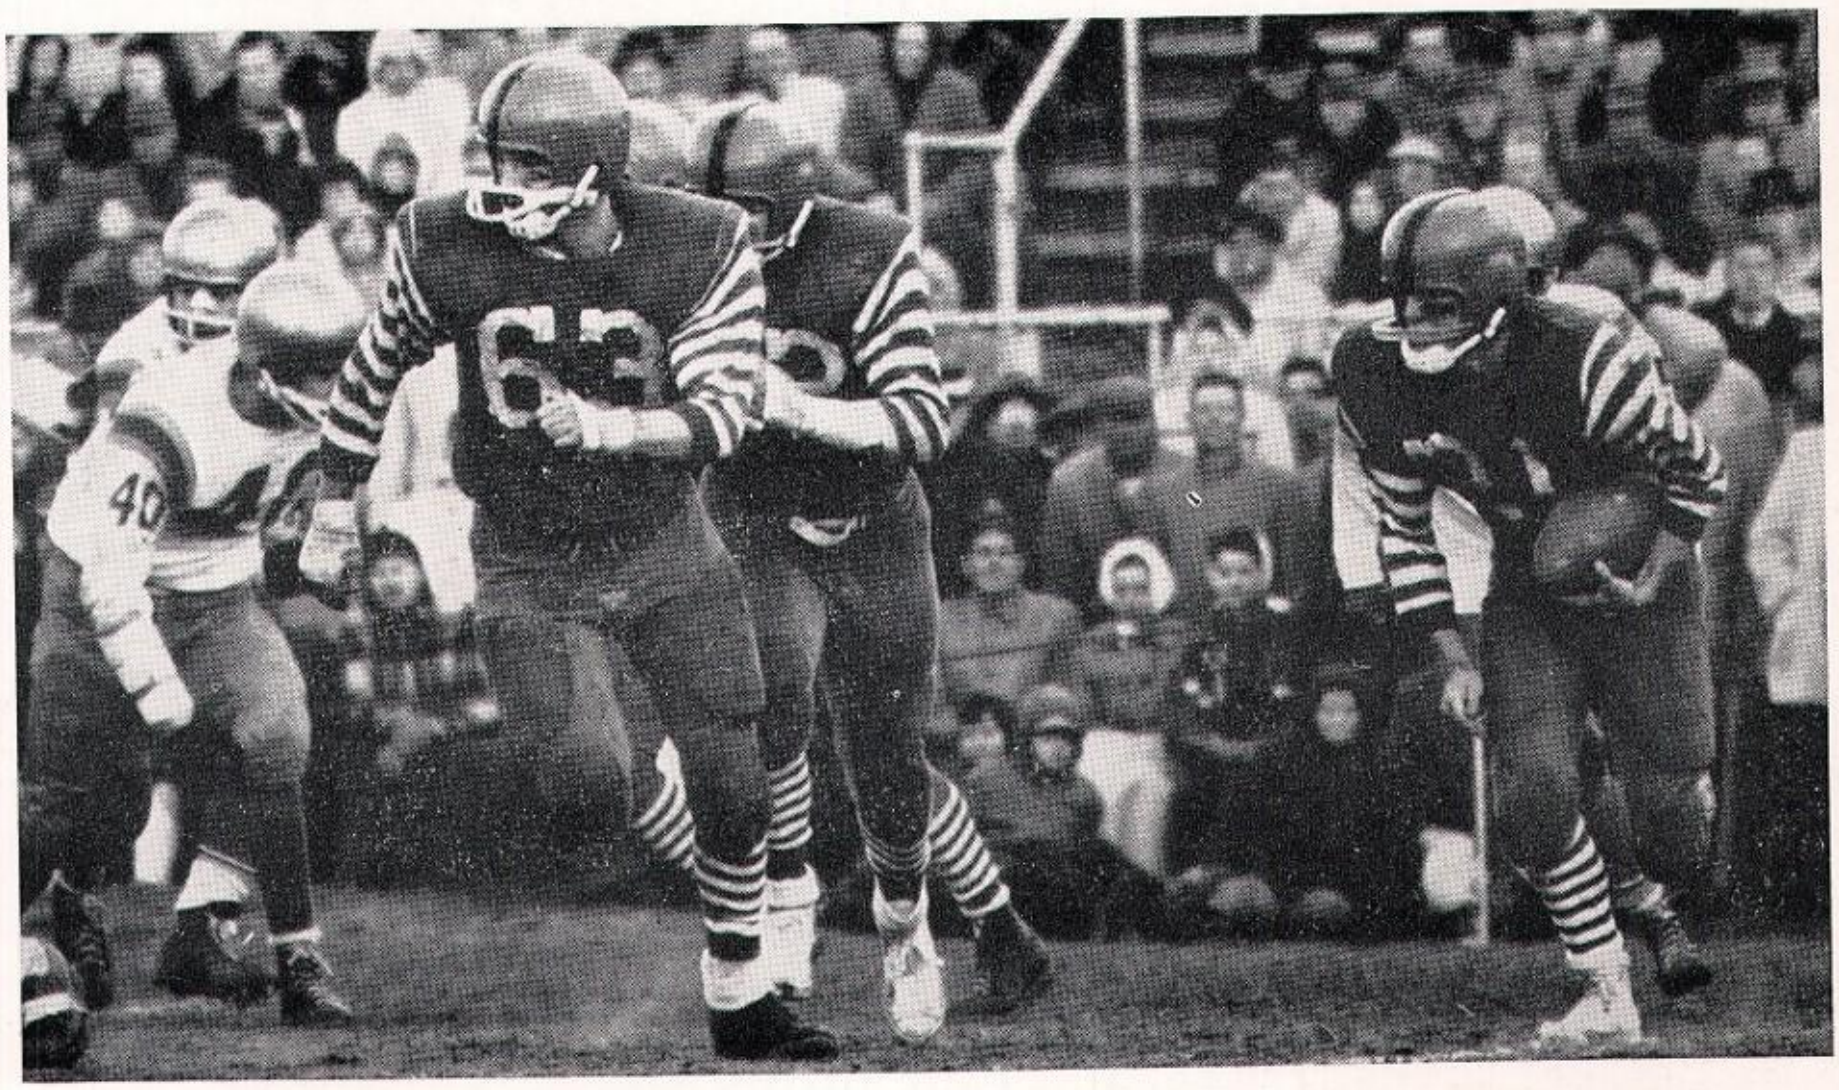
Climaxing a long upward struggle with a 16-0 win over Libbey on Thanksgiving Day, DeVilbiss once again reigned as scholastic football champs. This triumph was particularly sweet for our fine coach, Dave Hardy, as this was his first year as head coach. After losing the season opener 18-6, the outlook was not very bright. But, steadily gaining in poise and game experience, our team managed to pile up win after win. Following our early loss, we proceeded to maul Hamilton Catholic by the astounding score of 72-0. Macomber was the next victim to the tune of 24-0. Then, in what was truly a sad loss, Canton McKinley squeezed by us 7-6 in the closing minutes. Fired up by this, we humiliated Waite, 54-6. Woodward next fell 48-8 before the mighty Tiger machine.



Dehnhardt sprints around end as Mollenkamp runs interference.

This is the fine coaching staff that leads our team on to victory. Under their expert guidance the boys learn to be more than just good football players. They are (L. to R.): **Paul Scheig,** Bowling Green State University; **Don Black,** Toledo University; Head Coach, **Dave Hardy,** Toledo University; **Robert Longley,** Miami University; **Ned Heidtman,** Ohio University.

Varsity Basketball

This year's Varsity Basketball team finished the season with a record of three wins and nine losses in the City League and six wins and thirteen losses in overall competition. The team lost its three highest scorers in graduation last year; however, it made a total of 930 points this year. This season's high scorers were Terry Weber with 251 points, Jim Mack with 186 points, Dave Jefferies with 144 points, and Dave Holland with 107 points. Probably their most important game was the victory over the Scott team which ranked high in the City League. The Tigers, with the aid of new recruits from the lightweight team, made a remarkable comeback for the tournament. In the first game with Waite, DeVilbiss was losing by fifteen points, but made a fortunate recovery to win the game with a four point victory. During the second tournament game with St. Francis, the Tigers led the scoring during most of the game, but lost by only three points in the last two minutes of playing time. The team consisted of one freshman, nine juniors, and four seniors. Next year Coach Tom Inman expects to have a very successful year, since most of the team, including Mack, Jefferies, and Holland, will be returning as seniors.

Lightweight Basketball

The DeVilbiss Lightweight Basketball team, coached by Warren "Doc" Goode, won the City League Championship this year with its fine record of ten wins and only two losses. This was the first time that a DeVilbiss lightweight team has ever won that title. The reserves also defeated the Macomber team for the first time in many years. The first Central game was probably the most exciting. DeVilbiss, behind by three points, with only three seconds of playing time remaining, tied the score. In a sudden-death playoff Walter Wast sunk the deciding basket, giving the lightweights another victory.

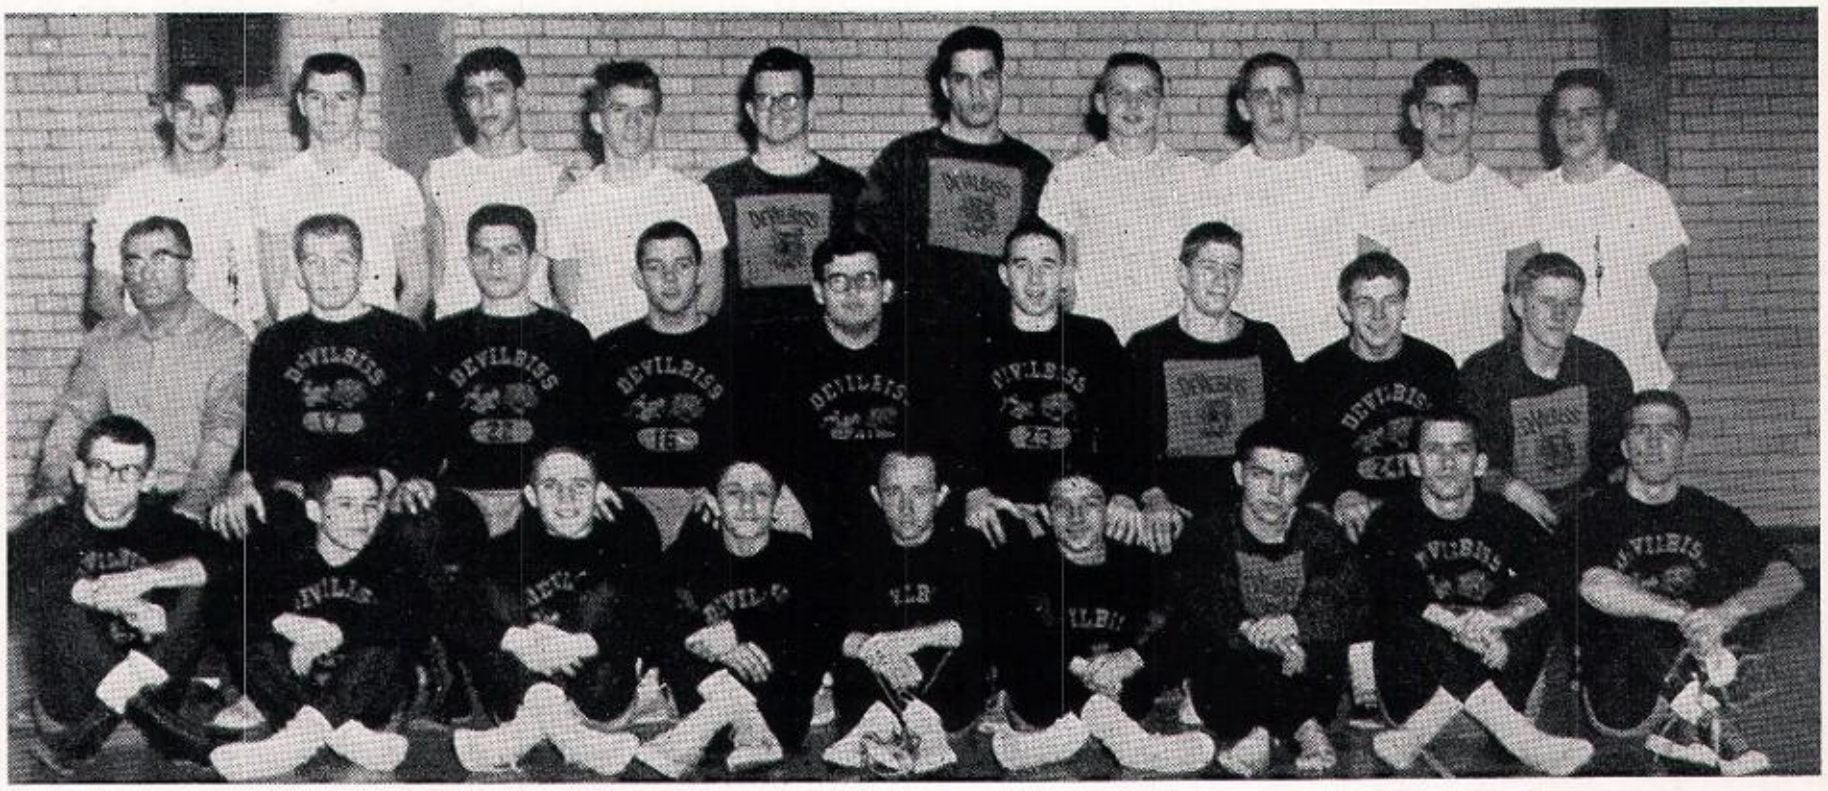
Wrestling Team



TOP ROW (L. to R.): John Karas, Bill Hook, Howard Gerbie, Tom Parker, Mike Mayo, Harry Berman, Jim Duvendack, Danny Dankoski, Roger Bret, Mike Chesrown. SECOND ROW: Coach Donald Sharpe, Ted Brown, Skip Shaw, Bill Morris, Ovid McLaughlin, Jack Ludgate, Dave Ryerson, Chuck Terrill, Ken Johnson. FRONT ROW: Ed Carpenter, Jay Black, John Carpenter, Chuck Abood, Nelson Guidry, Steve Stevens, Tim Lorigan, Don Sharpe, Bill Zollinger.

This year marked the beginning of a new varsity sport in Toledo. With the authority of the Board of Education on November 1, 1958, DeVilbiss organized its wrestling team. At first 45 boys reported to the coach, Mr. Donald Sharpe. After days of practice and work, the number was reduced to 27 boys who could best represent DeVilbiss in each weight class. The very principle of weight classification made wrestling different from any other sport in our school. This enables each boy to compete against someone his own weight and size. Altogether DeVilbiss competed in six city matches, winning four and tying one. In matches with schools other than city, DeVilbiss lost only once to Fremont. At the end of the season our team was tied with Macomber for second place in the city. Next, the whole wrestling team was entered in the District Tournament held at Waite. Out of the fifteen schools which entered, DeVilbiss placed sixth. Again DeVilbiss was second among the city schools. Some of the boys who won high honors in this tournament were as follows: Ed Carpenter, third in the 136 pound class; Jack Ludgate, fourth in the 157 pound class; and Ted Brown, first in the 165 pound class. Ted Brown then went on to compete in the State Tourney at Columbus. Altogether, fifteen boys received letters for their efforts in the wrestling team. Ed Carpenter had the best city record with six wins and one tie. Wrestling is only one year old in the city sports, and already DeVilbiss has an impressive record in this sport.

TOP ROW (L. to R.): Jim Gandy, Jerry Wexler, Doug Brown, Roger Paul, Chuck Friedman, Bob Lobar, Dick Judson, John Carpenter, Jim Delker, Ovid McLaughlin, Roland Bodley, Jim Gerlach. SECOND ROW: Charles Overmeyer, Mike Hurdelbrink, Dick Blickle, Dave Ryerson, Bob Gyldia, Greg Decker, Tom Chapman, John Paterson, Carl Timm, Robert Beck, Jack Decker, Jim Bearss, Kent Johnson, Jim Richardson, Dick Kimble, Carl Arner, Rick Rankin, Don Krantz, Jim Slaybaugh, Fred Deeb. THIRD ROW: Mark Koechley, Dick Krupp, Dave Richardson, John Odum, Dave Christ, Jim VanDielen, Steve Wexler, Ron Thompson, Bill Sulings, Gary Pickering, Ronald Marck, Ron O'Neal, Howard Camp. FRONT ROW: Jim Kujawa, Doug Boyer, Howard Bachman, Bob Hunter, Bob Russom, Don Hostetter, Jim Reed, Donnie Sharpe, Ron Laubeck, Jeff Elmore, Pete Matthes, Jack Ludgate, Dave Hardy, coach.

Track Team

Last year track coach Dave Hardy helped to produce several fine athletes. In the 1958 DeVilbiss Night Relays, three of the five new records that were established for Night Relays were made by DeVilbiss boys. Bob Russom set a time of 45.3 seconds for the 400 yard run. Dick Storm was able to run the low hurdles in 20.05 seconds, and Dave Mohr established a record of 15.3 seconds for the high hurdles. This year Mr. Hardy has much faith in his team and hopes to do well in the 1959 Night Relays.

Ron Laubeck, Bob Russom, and **Don Sharpe** strain for the finish.

Dave Mohr takes this hurdle in perfect stride.

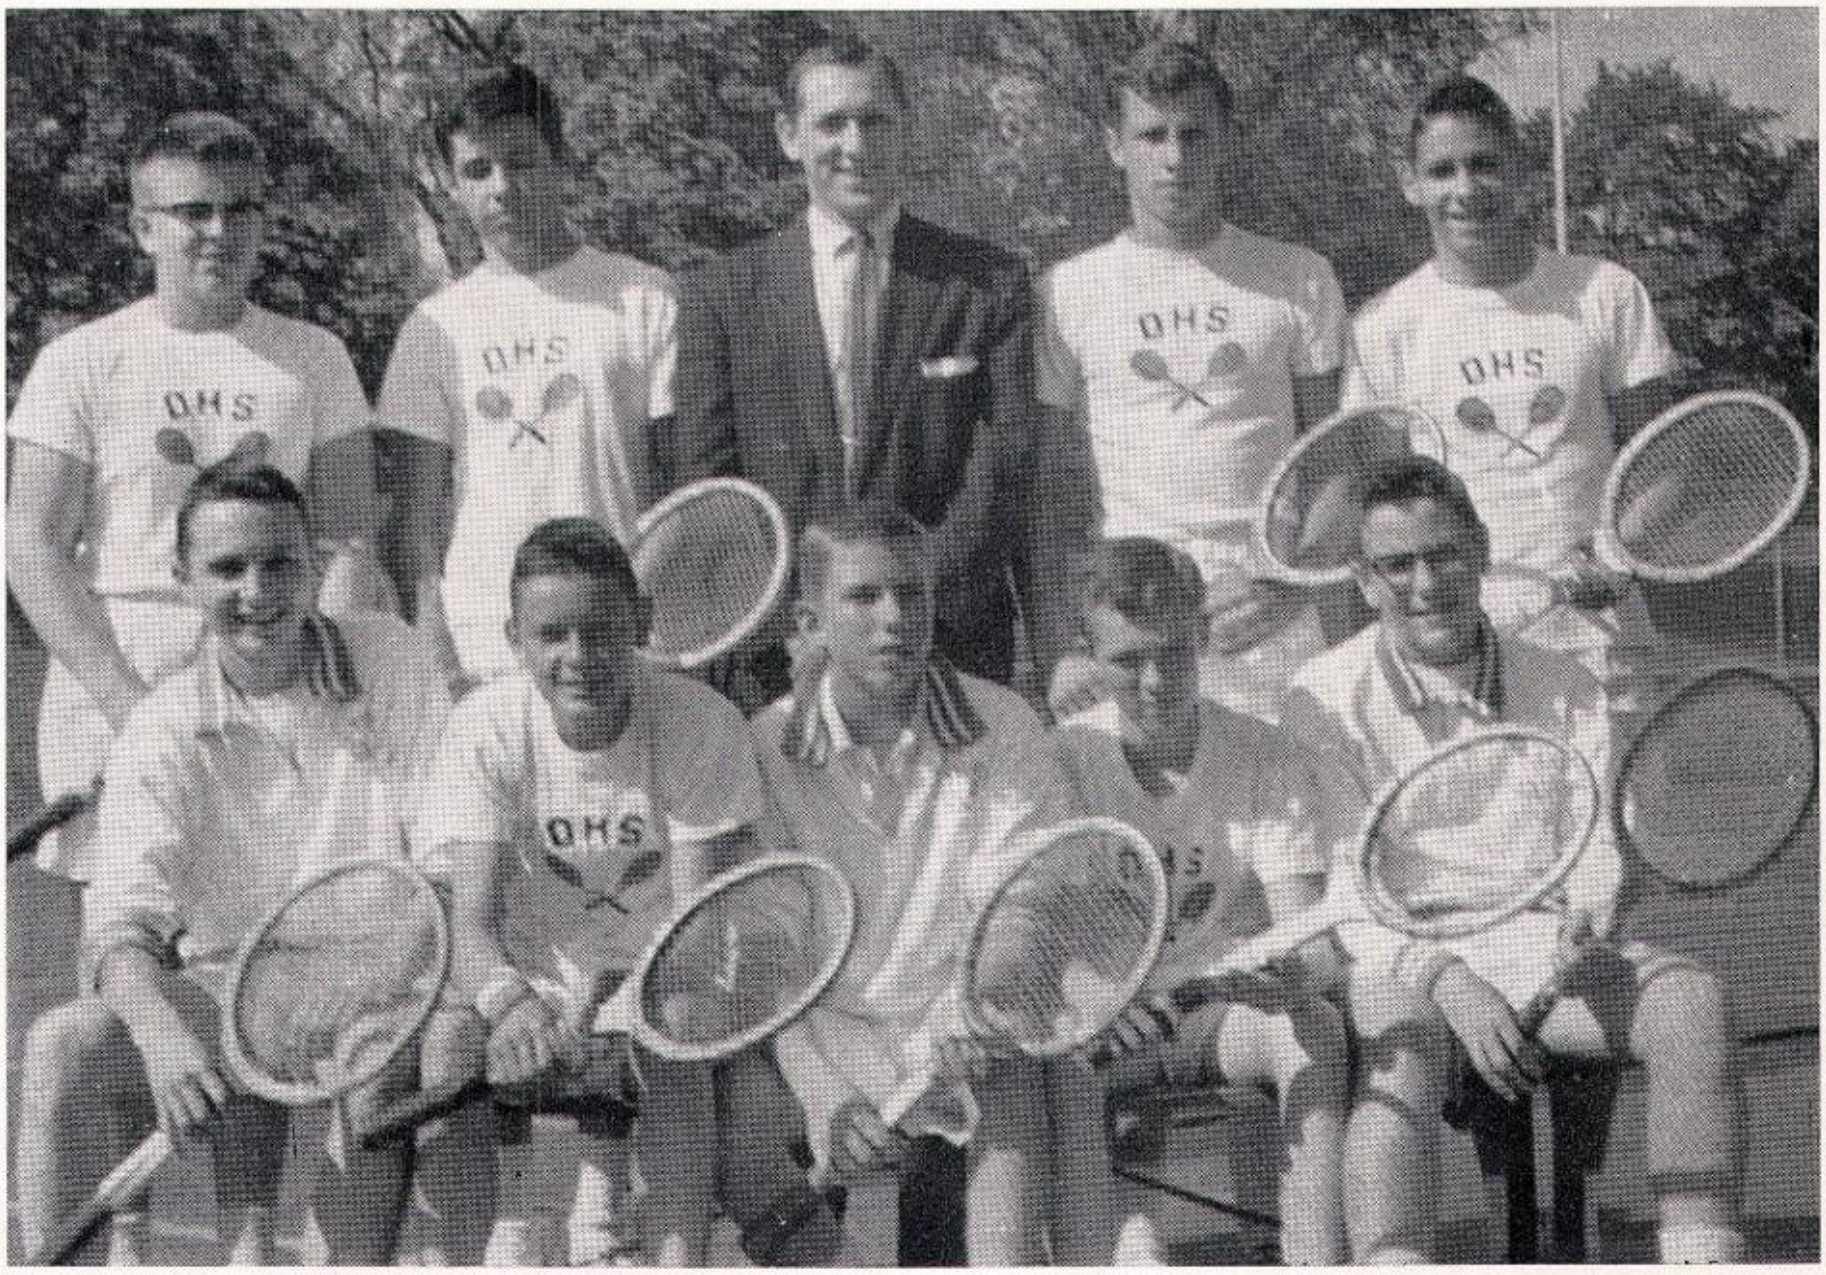
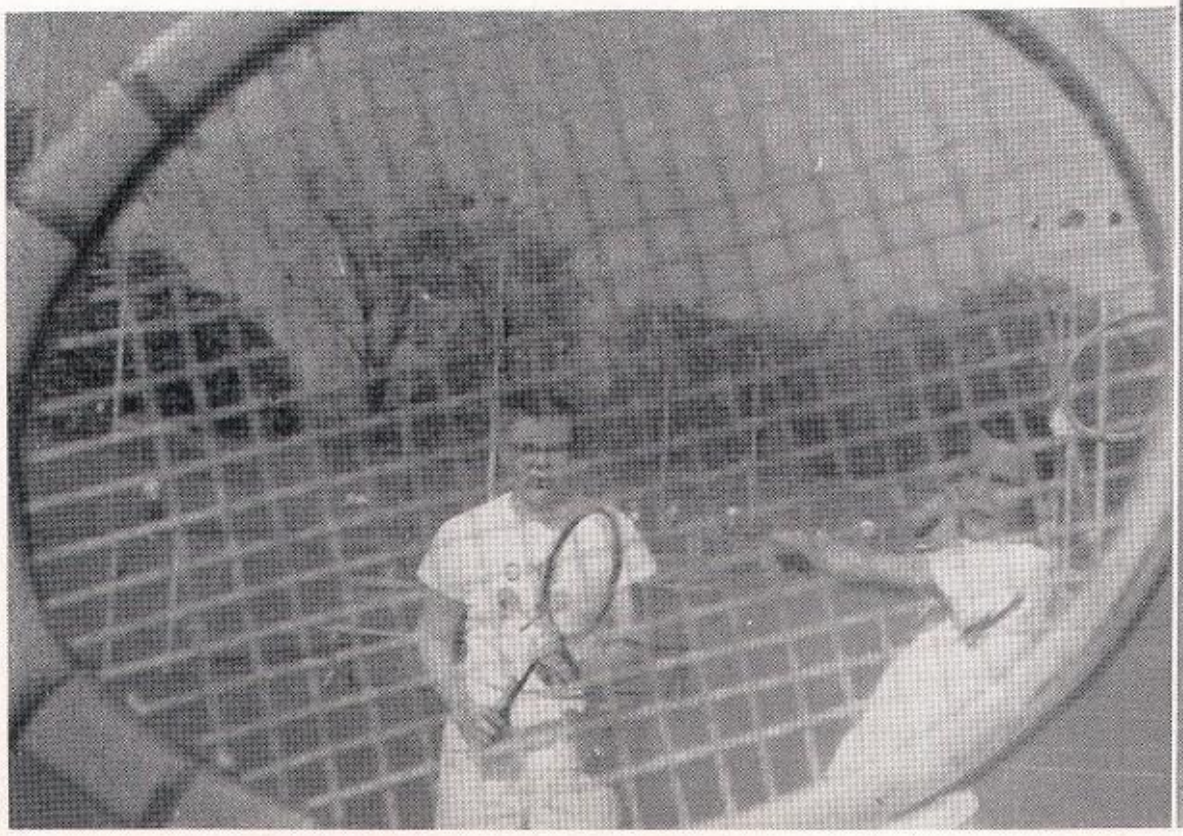
Tennis Team



STANDING (L. to R.): Garry Troutman, John Sampson, Coach Robert Longley, Bob Kumnick, Jeff Sampson. SEATED: Larry England, Bill Dean, Chuck MacLane, Jim Pawlaczyk, Terry Sinclair.

Once again our fine tennis team, which has won more championships than the New York Yankees, emerged unbeaten in its city league schedule. This was despite the fact that it was an unusually young team. Our first men were Gary Troutman, Bill Dean, Bob Kumnick, and John Samson, all of whom are back this year. We congratulate our tennis team on its many successes.



These are **Bill Dean** and **Gary Troutman,** who constitute one of our doubles teams.

Cheerleaders

STANDING (L. to R.): Laury Lipman, Sue Tanner, Mary Mohr, Linda Radabaugh. FRONT ROW: Judy Bundy, Janet Alspaugh, Lynn Urwitz.

Baseball

Though rebuilding, our baseball team was able to post a 4-10 record. The team, fielded by Coach Norm Kies, exhibited a great degree of balance. The usual starting nine was Ron Schultz, catcher; Jim Gerber, first base; Bob Beach, second base; Jim Hart, shortstop; Russ Maneval, left field; Bill Terrell, centerfield; Terry Weber, right field; our most effective pitchers were Fred Henning, John McNutt, and Gil Klein. Many members of this squad are back this year and we are looking forward to a successful season.

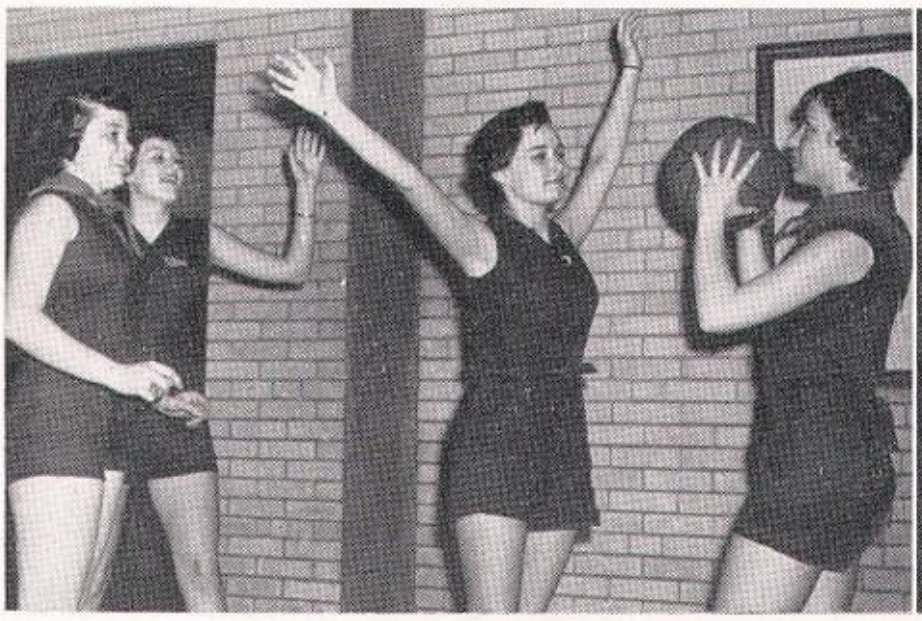
DE VILBISS GIRLS' ATHLETIC SOCIETY

In addition to their regular program of six week sessions of basketball, volleyball, archery, and softball, the girls in GAS have been very busy with outside projects. Their annual service project was giving a Christmas party for the children at the North Side Settlement House. They attended a T. U. basketball game "en Masse" as a social project, and honored their seniors with a banquet in May. As a school service project, they refereed the eighth grade volleyball tournament in March. The members of this organization have enjoyed a year of fellowship and fun.



Basketball is a favorite in the girls' gym classes.

Glass Has Made A Difference

Now is the time to reflect upon the "good ole' days" in school—the many friends, your favorite teachers, sports and dances and parties. But when looking at today's school architecture, we think you'll agree that glass *has* made a difference!

Here's picture-proof that school corridors don't have to be dark and dreary tunnels. No longer must walls be solid and opaque. Today, more attention is being paid to daylight and view.

When reflecting upon the advantages of this glass age, we think you'll agree that the "good *new* days" are better.

To Larry,
We've really had a blast in homeroom this year. Just think, next year no Baron. Thanks for trying to fix me up with Ron London. He's really a sharp guy, but I don't want to date him until I break up. Hope you're in one of my classes next year.
